

Associate of Science (AS) Global Health Emphasis

This sheet is designed as an advising tool for students working to complete the AS-DTA with a Global Health Emphasis and to be used in conjunction with an AS degree planning worksheet. The Global Health Emphasis requires students to take 5 credits of either HEA 225 or BIOL 150 and 20 additional credits from the Global Health elective list (at least 2 different subjects) which can fit within the VLPA, ICS and NW categories. **It is the student's responsibility to verify all degree requirements with an advisor. Information may change without notice.**

Global Health Emphasis Course Selections – select min. 20 credits

Courses will fall under VLPA, ICS and NW sections and work towards completing your degree.
