

Statement of Support

International students who apply to Seattle Central Community College or the Seattle Central Institute of English **must have a sponsor** who will be responsible for the student's financial obligations while studying in this institution.

This is a requirement set by the U.S. Immigration and Naturalization Service.

A sponsor can be a family member or friend, American or non-American. Students may sponsor themselves. It is also possible for students to have more than one sponsor (for example, a father and an uncle). **Please note that a student cannot be sponsored by another F-1 student.**

Please print this page, have your sponsor (or yourself if you are self-sponsored) fill it out, sign it, and send it to the address shown under **"Mail to"** or fax it to the number shown under **"Fax to"**. The sponsor of the student must complete a statement of support and provide proof of financial ability showing evidence of finances.
