Leave an eQuestion for our tutors anytime and anywhere you have access to the Internet and receive a response within 48 hours!

Stuck on a problem?

Get live one-to-one help from an eTutor in any subject by selecting eChat. Use our whiteboard, the chat box, and your computer’s microphone to interact with tutors in real time.

Need help with a paper?

Submit your paper to the eWriting Lab and an eTutor will review it within 24-48 hours, returning it with suggestions and expert advice for improving your writing.

Log in information on the back of flyer
Get ready to use SCCC’s online eTutoring site!

To log on the first time:

- Go to www.eTutoring.org and click on the “Login Now” button.
- Choose the Northwest Consortium.
- Select Seattle Central Community College in the dropdown menu under Select Your Institution.

Find the Username and Password fields under Login Here on the left side of the page.
- For your username: Your SCCC Student Login which can be found here http://seattlecentral.edu/it-services/student/staucct_login.php
- For your password: Central1

Example: Username: jandoe04
          Password: Central1
          Make sure you sign in as a student.

- This will bring up your Account Profile. To verify your account, you will need to add your SID without dashes along with a valid email address. You should also change your password at this time.
- Finally, please read and accept the eTutoring Terms and Conditions by checking the “I agree to all terms and conditions” box at the bottom of the page.

Once this process is complete, you’re ready to begin!
BE Learning Center

Cat Cerebus
Hamo Tsang
Moorissa Tjokro

Location: BE 2102 (in front of Library)

Hours of Operation:

Mon – Thu, 9 am to 7pm
Fri – 9 am to 5 pm
Sat – 9 am to 3 pm

Mission:

“The Learning Support Network provides high quality academic support to Seattle Central’s diverse student population in order to: improve comprehension, increase competence, instill confidence and promote success.”

Service Provided:

• Math, Business & Economics
• Humanities & the Social Sciences
• Languages, ESL/ABE

Who can you contact?

You can contact Jamal Ahmed: (206) 302-0972/3 Jahmedi@scccd.ctc.edu

Can we just drop-in or do we need to make an appointment??

• Everyone is encouraged to make an appointment, as slots of time in the learning center are in high demand, and the quality and caliber of the tutors is high.

• People are welcome to drop-in, however, they may not be able to assist if all the time slots are booked, but tutors will be more than happy to see you in time that is available.

• All who enter must sign in, let the receptionist know if you have a time-slot booked, and with who, and at what time. If you are dropping in, you may be able to book a time (if availability allows) to be seen soon and the sign-in receptionist will tell you if someone is available.

Scavenger Hunt: Women’s Program

Location of Service: The Women’s Program is located in the Fine Arts Building on E Pine & Harvard (across from “Bills off Broadway”); just walk into the building and straight ahead is the women’s program. The address is 801 E Pine Street, Room FA 202. If you do not want to walk over you can also call (206) 934-3854.

Hours of Operation: The Women’s Program is open Monday through Friday 8:30am – 5:00pm; closed on Saturday and Sunday

Mission: The Women’s Program (and WorkForce Education Services) mission is to help students (women and men) to reach their educational and career goals. The Women’s Program Staff can offer encouragement, personalized guidance, and helpful information about resources available on campus and throughout the community.

Services Provided: the Women’s Program can offer encouragement, personalized guidance, and helpful information about resources available on campus and throughout the community. More specifically the Program has set up (or partners with) the following organizations:

- Women in Society (Wednesday noon Lecture Series): can be a 2 credit class if you wish; this free weekly lecture is open to students and the public. Topics range from political to social and cultural topics in art and literature.
- The Women’s Forum: An artistic publication for SCCC women and by SCCC women. Publication features essays, stories, poetry, reviews, art work and photography.
- W.I.S.E. (Women in Science and Engineering): An award-winning club made to give guidance and support for women students studying math and science.
- EMPOWR (Empowerment Means Political Organizing for Women’s Rights): This organization promotes and supports education, awareness, participation, and activism around political issues facing women of all economic means.
- CLUB MOM: A student lead club made to assist and support parents.

Contact Person: Anyone in the office of this Program can assist.

Appointment or Drop in: You can walk right into the Women’s Program and get a lot of information; if you do choose to speak with someone specific you may need to make an appointment.
Library

Sunday (Closed)

Library Mission and Goals
The Seattle Central Community College Library supports the College's mission and learning outcomes by promoting information literacy through innovative and responsive programs, collections and services. We continuously improve these programs, collections and services through planning and assessment.

- Provide instructional programs to support our students' wide range of educational goals and learning styles.
- Develop collections to include a variety of formats and points of view that reflect the diversity of the community we serve.
- Offer services to integrate a contemplative learning environment with current information technology.
- Collaborate with students, staff, faculty and administration on library and campus-wide initiatives.
- Enhance access to library resources through a variety of pathways that serve users wherever they are.
- Advocate for the fiscal, physical and human resources needed to build outstanding library services and collections.

Promote the value of the library as an essential resource for academic excellence. Library Research Computers

Computers on the library network enable users to access library collections and other resources and services in support of curriculum and research needs

Library Open Lab
In addition to the library's research computers, eligible students may use the Open Lab located on the library's west end during open hours
Classrooms

The Library has two rooms that can accommodate large groups (16 or more): Classroom A and Classroom T.

Group Study Room
The library has four rooms that can accommodate small groups up to 12 people for collaborative work: Room F, Room G, Room I, and Room S. Individuals who desire a silent study environment should use the Study Carrels at the south and east ends of the library or Classroom A (Reading Room) if it is not scheduled for a workshop, presentation or meeting.

Any satellite centers associated with the service and who is served by the satellite: There’s no satellite centers associated with the service.
Advising and College Transfer Center

**Advising**
- Room: BE102D
- Phone: 206.934.4068
- advisorcentral@seattlecolleges.edu

Academic Advising is an essential function of SCCC in providing students with instructions and discussions about educational plans and goals. It’s necessary to meet with an advisor in the advising center during non-registration periods (week 3 to 7) to implement the academic plan since this reduces the time to see an advisor. Moreover, advisors can also resolve the issues of online registration as well as review new students’ transcripts for approval of course pre-requisites and integrate them to permanent record. The specific tasks of advising:

- Help to develop a long-range educational plan
- Interpret SCCC degree requirements for your transfer degree
- Interpret test results for COMPASS and ASSET
- Conduct an unofficial transcript evaluation
- Discuss requirements to facilitate a successful transfer into four-year institutions
- Refer to other college services and resources
- Help with researching majors
- Assist with schedule planning

The Advising office offers both drop-in advising and appointments. Drop-in advising works on first-come, first-served basis. Each appointment is 30 minutes long. The first week of each quarter is drop-in only.

**College Transfer Center**
- Room: BE102F
- Phone: 206.934.5469
- sccctransfercenter@seattlecolleges.edu

The College Transfer Center assists students through the transfer exploration and application process since transferring to a four-year college or university requires thorough planning as well as accurate understanding. The service is provided to all registered Seattle Central students who want to transfer to a four-year college or university to pursue a Bachelor’s degree. Particularly, the Transfer Center gives students the opportunities to meet with local and national four-year representatives at the college fairs, events and workshops each quarter. The center stores many college catalogs, transfer guides, applications and transfer planning materials. Students can search for colleges, complete online registration or write transfer essays using two student computers in Transfer Center. The staffs are available to help students by answering questions and providing support during the transfer process.

All information from
The Student Leadership office at Seattle Central is located across the street from the main building, adjacent to the book store, upstairs. They are open Monday through Friday, 8:00am – 4:30pm. No appointment is needed; they are happy to welcome students any time. Students may also visit their website at scccstudentleadership.org. Their mission statement, which is posted in the Leadership office and on their website states, "Student Leadership facilitates leadership development and supports student involvement, creating connections for student success."

Depending on the services needed, there are various different contact people available. Ty Pethe, Program Assistant, is usually at the front desk and can guide students in the right direction. Student Leadership is a broad organization that encompasses a number of sub-committees:

- SORC- Student Organization Research Council assists students in starting clubs, provides resources and reviews student organization funding requests.
- CAB- College Activities Board organizes multicultural events on campus and promotes student involvement in those events.
- TAG- Tournaments and Games committee facilitates recreational activities and promotes the Mitchel Activity Center.
- IAB- Intercultural Activities Board works to maximize interaction between local and international students and coordinates the "Conversation Partners," a languages exchange program.
- SAC- Student Ambassador Corps is a group of seasoned student leaders who help with new student orientation and represent SCCC off campus at community events.
- SWAP- Student Web and Publications publishes the Central Circuit magazine, maintains online publications and works to report news fairly and accurately.
- ASC- Associated Student Council is the official student government which represents students’ interests and presents issues and concerns to college administration.

The Student Leadership office makes it easy for students to get involved and stay connected. Whether a person wants to start a club, join a club, apply for committee membership or simply wants a free pen, they are welcoming, kind and helpful to students who visit their office.
SAM Learning Center

1). Location. Science and Math Building Room 100

2). Hours of Operation. 9:00am – 6:00pm Mondays – Thursdays; 9:00am – 4:00pm Fridays

3). Mission. To provide academic assistance for Science and Math students, either one-on-one or in a group setting.

4). Services provided: Tutoring in Math, Computer Science, Physics, and Chemistry

5). Contact information: Email: MFirpo@sccd.ctc.edu

6). Drop in or appointment: Drop-in ONLY

7). How to access services: Drop in anytime to SAM 100 in person during open hours and tutors will be there to assist students.

Interesting Facts:

I was most interested in the fact that students can see all the times to get help right outside the door and the specific areas each tutor is comfortable helping students with.

I was surprised to see how many old textbooks they had on hand for reference.

We actually have access to free online tutoring at etutoring.org!

Students can get help with homework

That they offer assistance specifically with the premed path.
