Tutor Practicum and Training I
Session IV: Evaluation and Reflection
December 2, 2011

Thank you for participating in tutor training this quarter. In order to help us provide you with the training that you want and need, please answer the following questions. Please be candid in your responses.

1. Are there issues that have come up for you that you would like to see addressed in later training? Please be specific.

2. Are there tutor training topics that were not covered this quarter that you would like to see presented? Please list them here.

3. Are there issues with the training program that you would like to bring to our attention? If so, please describe them here.
