

Gravel in rural v. urban streams

Comparing rural and urban rivers in Pennsylvania.
Particle size for river bed gravels given in millimeters, with
frequency of particles normalized to total.
Pizzuto et al (2000)

| size (mm) | rural relative frequency | urban relative frequency |
|------------------|---|-------------------------------------|
| 2 to 8 | 0.11 | 0.01 |
| 8 to 16 | 0.19 | 0.11 |
| 16 to 32 | 0.12 | 0.18 |
| 32 to 64 | 0.17 | 0.25 |
| 64-128 | 0.24 | 0.33 |
| 128 to 256 | 0.14 | 0.11 |
| 256 to 512 | 0.02 | 0.01 |
| >512 | 0.02 | 0.00 |
