Welcome to Seattle Central!

We are glad you have chosen to join the diverse and dynamic student population of Seattle Central. Learning how to navigate our college efficiently and effectively will help you succeed and with that in mind, this handbook is designed to help you get through the exciting and sometimes frustrating first quarter at your new school.

Whether you are here to pursue a transfer degree, change careers or to get the skills necessary for a trade, this handbook will help you make connections for success. The "7 Steps to Enrolling" will give you an easy guide to the critical decisions to the first resources you will need – even if you’ve already successfully enrolled.

Once you have decided on your particular path here at Seattle Central, there are a few sections of the handbook to keep in mind:

- "Grades and Transcripts" gives you an overview of the college’s grading system, and some of the non-traditional grading options that are available.
- "Preparing for Classes" contains all of the important information you need just before classes start.
- "Student Services & Campus Resources" details many of the different options you have for support and assistance as you progress through your education.
- "Graduating & Transferring" is the section which details the things you need to know as you prepare to finish your time here.

It is also worth while to take a look through the "College Policies", "Student Conduct" and "Campus Safety & Security" sections to get a sense of what to do when something goes wrong. If you do find yourself in need of a way to formally file a complaint, the "Student Complaint Process" describes the steps you should take. Seattle Central is committed to supporting its diverse student body. The faculty and staff here at Seattle Central will do everything they can to make sure your experience is encouraging and inclusive.

If you want to get involved more with the campus environment and community, the "Student Leadership" section is a great place to start. It overviews many of the involvement opportunities available to you, but it is also a good idea to visit Student Leadership (above the bookstore) to meet current student leaders, and get more information about other possibilities which are available. We have a variety of clubs, committees and events which enhance your educational experience here on campus.

However you decide to approach your educational experience, the Seattle Central Student Handbook should serve as guide and lead you toward the resources, services and knowledge you need to make things you want happen!

Best Wishes,
Seattle Central Student Leadership
Seattle Central Community College promotes educational excellence in a multicultural urban environment. We ensure opportunities for academic achievement, workplace preparation and service to the community by creating a learning environment which is accessible, diverse, responsive, and innovative.

ACCESSIBLE
We provide learning opportunities to students from varied backgrounds and circumstances, direct and developmental pathways to instructional programs and a safe, healthy and barrier-free learning environment.

DIVERSE
We value basic, general, professional-technical and continuing education, different cultures, races, lifestyles, and learning styles and collaborative learning and decision making.

INNOVATIVE
We practice a holistic model of student growth and learning, alternative teaching and learning methods and technology based instruction and services.

RESPONSIVE
We promote programs to reflect and anticipate community needs, an international focus in curricula and services, integration of general and professional-technical education and assessment and continuous improvement.
ABOUT US
Seattle Central Community College is located on Capitol Hill, a vibrant slice of Seattle life. We are an educational home for our students, a leadership incubator for our community and an economic catalyst for our state. Since 1966, the college has served the higher education and workforce training needs of more than 500,000 students. Seattle Central provides college transfer courses, professional/technical programs, and as an array of short-term certificate options.

OUR HISTORY
Although the official history of Seattle Central began in 1966, its main campus is the site of two important Seattle schools that preceded the present day college.

To accommodate the dramatic increase in Seattle’s population caused by the Alaskan Gold rush of the 1890’s, Broadway High School was built in Seattle’s Capitol Hill District and opened in 1902. Broadway High graduated many of Seattle’s outstanding and prominent citizens and cultivated a reputation that continued even though its educational focus changed. In 1946, the high school completed its gradual transition to vocational training and adult education and was named Edison Technical School. It began offering college courses in 1965 and in one year, evolved into the first community college in the city, Seattle Central Community College. North and South Seattle Community Colleges began operation in 1970.

Seattle Central is accredited by the Northwest Commission on Colleges and Universities. It is a member of the League for Innovation, a prestigious group of community colleges nationwide selected for membership based on educational excellence.

SEATTLE CENTRAL LEARNING OUTCOMES ARE:

THINK
Analyze, create, and reflect to address and appreciate challenges and opportunities

COLLABORATE
Work effectively with others to learn, complete tasks, and pursue common goals

COMMUNICATE
Exchange ideas and information through intentional listening, speaking, signing, reading, writing, or presenting

CONNECT
Apply knowledge and skills to solve problems

CONTINUE LEARNING
Self-evaluate and act to improve knowledge and skills

7 Steps to Enrolling

1. **FILL OUT AN ADMISSION FORM**
   Seattle Central has open admissions. There are two ways to apply:
   - Online at seattlecentral.edu/admissions
   - In-person at the Admissions Office

2. **APPLY FOR FINANCIAL AID**
   Complete the online FAFSA application by visiting www.seattlecentral.edu/finaid. In addition to filling out the Financial Aid Form, there are other steps you must complete in order to apply for financial aid. Please see the “Financial Aid” section for additional information. Financial aid is limited; apply early.

3. **TAKE PLACEMENT TEST, OR SUBMIT COLLEGE TRANSCRIPTS**
   All new students are required to demonstrate their English and Math proficiency level, either by submitting transcripts that document prior college level work or by taking the placement test.

4. **ATTEND THE NEW STUDENT ORIENTATION**
   In order to register for classes or see an advisor, new students will need to complete the STAR New Student Orientation (Success, Training, Advising, Registration). The STAR Orientation is designed for new students to Seattle Central and is required as they enter their first quarter of enrollment. Contact Admissions to sign up for your STAR orientation.

5. **MEET WITH AN ADVISOR**
   Academic advising is integral to Seattle Central’s mission and is important to every student’s academic success. Academic advisors work primarily with transfer students to help interpret the Associate of Arts or Science degrees. Students who need information about college transfer degrees should schedule an appointment with an academic advisor. Professional-technical students should schedule an appointment with the Workforce Education Manager (see page 9).

6. **REGISTER FOR CLASSES**
   Students may register for classes online or in-person. To register online, visit: seattlecentral.edu/sos. To register on campus, submit a class registration form to the Registration office.

7. **PAY THE CASHIER**
   Once you have enrolled in classes, students will need to pay their tuition and fees at the Cashier’s window or on the web. Tuition and fees are due within seven business days from the date you first register for classes or by the first day of school, whichever comes first. Students will be dropped for non-payment if tuition is not received within the established time-line.
Seattle Central has open admission. There are two ways to apply:

- Online at seattlecentral.edu/admissions
- In-person at the Admissions Office (BE1104)

To use credits from other schools, students need to submit an official transcript and complete an incoming transcript evaluation form. Evaluations are specific to each program of study.

If you are unsure of your program of study, meet with an advisor or counselor before completing a request form. It will take approximately seven to nine weeks to process the request and for an evaluation to be sent.

**SEND YOUR TRANSCRIPTS TO:**

Seattle Central
Community College
Office of Admissions
1701 Broadway
Seattle, WA 98122

**ADMISSIONS**

Room: BE1102

**HOURS**

Mon 8:00am-4:30pm
Tue 8:00am-6:30pm
Wed-Fri 8:00am-4:30pm
STEP 2 Financial Aid

To help students reach their educational goals the Financial Aid Office helps them apply for grants and work-study. Pick up a financial aid application guide at the Financial Aid Office or online (www.seattlecentral.edu/finaid).

HELPFUL TIP FROM STUDENT LEADERS
Remember to apply early for financial aid. No one wants to worry about paying for classes during the first week of the quarter.

HOW IT WORKS
Apply at www.fafsa.ed.gov. Be certain to complete the application according to the instructions given on the site.

ELIGIBILITY
- Students must be citizens, nationals, refugees, or immigrants to the U.S.
- Obtained a High School Diploma, a GED certificate or demonstrate the ability to benefit from the program pursued.
- Demonstrate financial need as determined by the financial aid application.
- Enroll in a certificate or degree program with at least one academic year in length and take the required coursework.
- Sign a statement of registration compliance for Selective Service and antidrug abuse certification.
- Not owe a refund or repayments of prior financial assistance or have a student loan in default at other colleges attended.

WHAT TO KNOW
- Students must apply toward each school year they attend.
- Applications are processed in the order received.
- Students must enroll and complete the minimum number of credits specified for the type of aid they receive.
- Students are required to make satisfactory academic progress in their chosen course of study.
- If a student withdraws from school or drops more than the number of credits required to maintain aid, they may owe a repayment on/ or become ineligible for future financial aid funds.
- If they plan to attend classes Summer Quarter, they must complete and submit a separate Summer Quarter financial aid application.

WHEN TO APPLY
All application documents must be accurately completed and delivered to the Financial Aid Office by the published deadline date. For exact dates see the Deadline section of the Consumer Information brochure available at each campus. It is recommended that the student begin this process as soon as possible.

Students need to apply only once each school year, but they must reapply every year of attendance. Applications are processed in the order received.

Students are mailed a financial aid notification letter indicating award types and amount per quarter. It is important to read the award notice carefully. Students are also notified by letter if they are ineligible for financial aid.

- To check financial aid status, access the Student Portal for Financial Aid online at www.seattlecentral.edu/finaid.

NOTIFICATION

DISBURSEMENT OF FUNDS
Financial aid grants and tuition waivers are first applied to tuition and fees charged at cashiering. Any remaining balance of grants and loans is disbursed to the student in the form of a check. Work-study awards are disbursed through a payroll check every two weeks as the money is earned.

For more information visit: www.seattlecentral.edu/finaid

HOURS
Mon 8:00am−4:30pm
Tues 8:00am−6:30pm
Wed 8:00am−4:30pm
Thurs 8:00am−4:30pm
Fri 8:00am−4:30pm

FIRST TWO WEEKS OF EACH QUARTER
Mon−Fri 8:00am−6:30pm*

* 4:30−6:30pm for in-office assistance only
All new students are required to demonstrate their English and math proficiency level, either by submitting transcripts that document prior college level work or by taking the placement test. For math, the courses must have been completed within the last three years. There is a fee for the placement test. The Testing Center is available for testing on a walk-in basis.

The Testing Center works closely with the Disability Support Services counselor. Based on the counselor’s recommendation, reasonable accommodations can be provided to students with documented disabilities through Seattle Central’s disabilities Support Services. Accommodations can include a private room, additional testing time, readers, scribes or an ASL interpreter.

Arrangements can be made by contacting the counselor at 206.934.4183.

**HOURS**
Mon-Tues 8:00am-6:30pm
Wed-Fri 8:00am-4:30pm
New Student Orientation (STAR)

STAR (Success, Training, Advising and Registration) Orientation is designed to help new students as they begin their first quarter at Seattle Central. Taken either in-person or online, the STAR Orientation must be completed before students can register for classes or meet with an advisor. After the orientation students will have the opportunity to speak with the appropriate advisor and discuss their first quarter plans.

STAR ORIENTATION WILL:
- Introduce educational opportunities here at Seattle Central
- Train in the use of online registration and schedule planning
- Introduce current student leaders and advisors
- Provide basic Seattle Central policies and procedures
- Allow access to register for classes

To take the STAR in-person, contact the Admissions Office:
Room: BE1104
Phone: 206.934.4068
admiss@seattlecolleges.edu

To take the STAR online:
www.seattlecentral.edu/star

HELPFUL TIP FROM STUDENT LEADERS
Choose the in-person orientation to meet student leaders. We will help you get a better feel for the campus and connect you with resources that will help you to succeed.
Advising

Academic advising is integral to Seattle Central’s mission and is important to every student’s academic success. Academic advisors work primarily with undecided and Transfer students to help interpret the Associate of Arts or Science degrees.

WHAT CAN THE ADVISING CENTER DO FOR YOU?
- Interpret requirements for transfer degrees
- Help develop an educational plan
- Interpret COMPASS test results
- Assist with schedule planning

WHEN SHOULD YOU SEE AN ADVISOR?
Students are encouraged to meet with an advisor quarterly, to receive assistance choosing classes and developing an academic plan. It is strongly recommended to meet with an advisor during non-registration periods (Weeks 3–7), as there is often more availability for appointments. Students intending to transfer to four-year colleges and universities are encouraged to meet with an advisor near or at 45 credits to create a long-range plan and receive important transfer and graduation information.

DO YOU HAVE TO MAKE AN APPOINTMENT?
The Advising office offers both appointments and drop-in advising.

Drop-in, first-come, first-served:
- Mon, Wed, Fri 9–11am
- Tues 1–3pm, 4:30–6:30pm*
- Thurs 1–3pm
- Appointments are scheduled for 30 minutes.
- The first week of each quarter is drop-in only.

HELPFUL TIP FROM STUDENT LEADERS
It is vital that you meet with an advisor early in your educational career!

*These evening drop-in hours are specially set aside for evening students.

IF YOU WANT TO COMPLETE A WORKFORCE OR PROFESSIONAL-TECHNICAL PROGRAM, SHOULD YOU SPEAK WITH AN ADVISOR?
No. If you're interested in a workforce program, attend an information session or make an appointment with the Workforce Education Manager at sccwf@seattlecolleges.edu or go to room BE1102 C7.

COLLEGE TRANSFER CENTER
Making the decision to transfer to a four-year college or university is one that requires understanding yourself and your goals, as well as careful planning. The College Transfer Center provides a service that assists students through the transfer exploration and application process and is available to all registered Seattle Central students.

Services in the College Transfer Center are available to all registered Seattle Central students who want to transfer to a four-year college or university to pursue a bachelor’s degree. The Transfer Center enables Seattle Central students to learn about transfer opportunities and to meet representatives from local and national four-year schools at college fairs, events and workshops each quarter.

The Center houses college catalogs, transfer guides, applications, and transfer planning materials. There are two student computers to help students conduct college searches, complete online applications and write transfer essays. The staff is available to answer questions and provide support throughout the transfer process.

Wed 9:00am–4:30pm
Thu–Fri 8:00am–4:30pm
Registering for Classes

Students can attend class after they have officially registered, paid necessary fees, and have received a valid receipt from the college cashier.

**NON-MATRICULATED STUDENTS**

Students who have not gone through the admissions process and are enrolling in only one day or evening course for 5 credits or less.

Non-matriculated students can register without an appointment between the hours of 8am-4 pm on the same day as new students. If you are not a U.S. Citizen, bring your Permanent Resident Card with you.

Note: Non-matriculated students cannot enroll in English, math or natural science courses, access Web registration, receive financial aid or earn a degree/certificate.

Prerequisite course requirements indicated in this class schedule or the catalog must be fulfilled. It is the student’s responsibility to ensure that the prerequisites are met. Students may be asked to withdraw from class if the prerequisite requirements have not been met. Requests to withdraw will be subject to the tuition refund determined by the college refund policy.

**WEB REGISTRATION**

Web registration hours are 5am-11pm, seven days a week, during web registration dates. Currently enrolled students will begin registering the seventh week of the current quarter. All currently enrolled students will be assigned a registration appointment time. The registration appointment time is the official time assigned to you to register and the earliest time that you can access online registration. If you don’t register at that exact time, you can still access online registration from time forward. Students can check this time at www.seattlecentral.edu (click Student Online Services). If you’re not given a time, ask the Registrar’s office for help.

Registration priority is based upon total cumulative credits earned at Seattle Central.

1. **LOG ON TO SEATTLECENTRAL.EDU**
   - Click on Student Online Services

2. **SELECT REGISTER ONLINE**
   - Key in your Student ID number and PIN then select the quarter.
   - Click on Register, answer the questions and click on continue

3. **CHOOSE YOUR CLASSES**
   - On the schedule screen, enter your item numbers under Add/Drop (up to 5 items at a time).
   - When you’re sure that the item numbers are complete and correct, click on Submit Add/Drop. A box will appear on screen for you to key in a 5-digit entry code (if needed).
   - Your classes and fees information will appear in the Schedule box.
   - Click the Change Credits button and select the number of credits you want. (This box will only appear for variable-credit classes.)
   - Check the messages and follow the instructions if there were errors (i.e., if the class is already full) or there was a block (i.e., flag on record or entry code required).
   - Click on finish

4. **MAKE A PAYMENT**
   Tuition and fees are due within seven business days from the date you first register for classes or by the first day of school, whichever comes first. If you register on or after the first day of the quarter, tuition is due at the time of registration. Students will be dropped for non-payment if tuition is not received within the established timelines.

5. **PRINT OUT YOUR RECEIPT**
   This gives you a copy of your class schedule, amount due and a record of the transaction.

**HELPFUL TIP FROM STUDENT LEADERS**

Classes fill up quickly. Register as soon as you can to ensure you get into the classes you need.
Registration & Attendance Policies

ATTENDANCE
Students are officially registered after they have paid fees and received a valid receipt from the college cashier. Instructors may not allow a student to attend their class if the student’s name is not on the official class roster. Students who are officially enrolled in credit classes must be in attendance or communicate with the instructor no later than the first scheduled class. Students who are absent without prior approval of the instructor or the division/department chair may be withdrawn by the college.

NOTE: Students should not assume that they have been dropped if they have not attended class on the first day. This procedure is usually implemented only when there are other students waiting to enroll in that class.

Audit students must register for the course(s) they want to audit and pay full fees. An N grade will be recorded on the student transcript. It is the student’s responsibility to consult with the instructor regarding class requirements. After an N is issued, the course may be repeated only once.

CANCELED CLASSES
To request a refund and ensure withdrawal from courses (including canceled courses) an add/drop form should be submitted at counter Services in Registration and the Cashier. Students may withdraw using the Web prior to the start of the quarter. Please keep all receipts for proof of transactions.

DROPPING/WITHDRAWALS
To avoid any potential problem in meeting their educational goals, students are strongly encouraged to meet with their instructor before dropping any classes. Please refer to the important dates online at www.seattlecentral.edu for withdrawal deadlines. Although students may not officially withdraw from a class after the eighth week, regardless of their academic status, they have the option to contract with your instructor for an I (incomplete grade), or NC (no credit).

INTRA-DISTRICT REGISTRATION
Prior to the first day of the quarter, students enrolling in classes offered at Central, North or South Seattle Community Colleges may register for classes at any of the three campuses as long as admission requirements have been met. Students registering at Seattle Central will need to follow the admissions steps. These steps can be found on the Admissions page of this document. Students must pay tuition and fees in full at the time of registration if participating in intra-district registration. Beginning the first day of the quarter, students must enroll at the Registration office on the campus where the course is being taught.

Seattle Community College District (SCCD) does not provide tuition reduction for concurrent enrollment with non-SCCD colleges.

LATE REGISTRATION/ SCHEDULE CHANGES
To be successful students are always encouraged to begin classes on the first day. However, online registration, in open classes (except math classes), continues through the third day of the quarter. After the third day, an instructor’s signature is required to add a class. A late fee of $10 per credit will be assessed for any class added after the 10th day of the quarter. NOTE: Math classes require course instructor’s signature from first day and a visit to Registration is required to drop a math class.

REGISTRATION OFFICE
Room: BE1104B
Phone: 206.934.6918

REGULAR HOURS
Mon 8:00am–4:30pm
Tues 8:00am–6:30pm
Wed–Fri 8:00am–4:30pm

SPECIAL HOURS
1st & 2nd week of each quarter
Mon–Thu 8:00am–6:30pm
Fri 8:00am–4:30pm

See Glossary for common registration terms.
Paying for Classes

Tuition and fees are set by the Washington State Legislature and are subject to change. The Seattle Community College District reserves the right to change any of its fees or charges without notice. For a current table of tuition rates and fees, please consult www.seattlecentral.edu/tuition.

Paying Tuition and Fees

Tuition and fees are due within seven business days from the date you first register for classes or by the first day of school, whichever comes first. If a student registers on or after the first day of the quarter, tuition is due at the time of registration. Students will be dropped for non-payment if tuition is not received within the established time-line. Tuition may be paid via Visa, MasterCard, American Express or Discover using the Web at www.seattlecentral.edu. Payment can also be made in-person by cash, check, money order or credit card. Checks returned because of stop payment will be charged a fee, and the student will be immediately withdrawn from all courses.

Auto-Payment Plan

Don’t have money to pay your tuition all at once? Join our new online payment plan e-cashier and start budgeting for your education today. The sooner a student starts, the lower their monthly payments will be. Seattle Central is pleased to offer this payment plan from Nelnet Business Solutions to provide students with a low-cost option for budgeting tuition and fees. It is not a loan program; therefore, you have no debt, there are no interest or finance charges assessed, and there is no credit check.

For more information, visit www.seattlecentral.edu/tuition

Simple steps to Enroll in the Payment Plan:

• Go to www.seattlecentral.edu/sos
• Login and choose your classes
• Click Deferred Payment Plan

Refunds

Refunds result from a student withdrawing from the college. Refunds are made in accordance with the quarterly schedule dates, and includes a processing fee. No refunds are given to anyone dismissed for disciplinary reasons or to those who do not follow the official withdrawal procedures. This policy does not apply to non-credit classes, contract or self-support courses. Allow 2-3 weeks to process a refund.

Fall, Winter, and Spring Quarter Refund Deadlines

• 100% Withdrawal from classes due to cancellation by the college.
• 100% Before the first day of the quarter or the last day students can register online, whichever comes first (less $5.00 fee).
• 50% From the 8th day through the 20th calendar day of the quarter.
• 0% After the first 20 calendar days of the quarter.

Please note: Students who stop attending classes without processing an Add/Drop form in the Registration office will forfeit all claims to credit or refunds. For classes that do not follow the regular college quarter calendar refunds are applied on a timetable as established above and pro-rated to the standard quarter length.

Residency

For state-supported class tuition purposes, a state resident is a U.S. citizen or one who has permanent resident immigrant status, refugee-parolee status, or conditional entrant status. For residency one must also have established a residence in Washington State primarily for purposes other than educational for the period of one year immediately prior to the first day of the quarter and was financially independent from parents or legally appointed guardians for the calendar year during which college enrollment began, or is a financially dependent student. If the student is financially dependent, one or both of the parents or legal guardians need to have maintained a domicile in Washington State for at least one year immediately prior to the first day of the quarter. For more information on residency and non-residency determinations please see the online definitions at: www.seattlecentral.edu/policy.

www.seattlecentral.edu/sos

Hours
Mon-Fri 8:00am-4:30pm
Scholarships

Scholarships are often an integral part of how those without the personal means to pay for school fund their education. They serve as one of the tools helping students to overcome the financial challenges they face while pursuing a higher education.

SEATTLE CENTRAL FOUNDATION SCHOLARSHIPS

Seattle Central scholarships are available for students in college transfer programs and students in professional/technical programs. Hundreds of new, returning and transferring Seattle Central students are awarded scholarships each year through the Seattle Central Foundation. One application is all it takes for you to be eligible for dozens of scholarship opportunities. How better to help pay for your education at Seattle Central and beyond? Check the Foundation’s web page http://seattlecentral.edu/foundation during winter quarter for scholarship requirements and deadlines.

Room: BE4180
Phone: 206.934.5491

OTHER SCHOLARSHIPS

Scholarship information is also available in the Career Services Center. The Career Services Center receives scholarship announcements and applications from many outside sources. They usually start to arrive in October and continue through April. These applications are for the following academic year. Copies of scholarship announcements and applications are posted on the Scholarship bulletin board in the lobby of the Career Services Center and they also have access to scholarship databases. We encourage students to check the bulletin board and databases frequently for new information. Scholarships for specific majors or interests, high school seniors, minorities and special populations are in binders and separated by deadline dates, and the staff is available to help students use the resources and assist with scholarship applications.

Room: BE1102E
Phone: 206.934.4383

HELPFUL TIP FROM STUDENT LEADERS

Get involved on campus to enhance your scholarship applications! Student Leadership offers many involvement opportunities. Visit us above the bookstore to learn more!
The books required for each class are arranged by class name and number in the Seattle Central Bookstore prior to the start of class. The Seattle Central Bookstore serves the campus community by providing required textbooks, supplies, educational support materials, and by offering other merchandise that meets the needs of a diverse student population.

To avoid long lines, students should purchase their books up to two weeks before classes begin, and keep all receipts in case they need to return a book. Look for used books in the bookstore and save up to 25%.

At the end of the quarter, students may sell their books back. The Seattle Central Bookstore may buy back books provided that they are in good condition.

**TEXTBOOK ALTERNATIVES**

The Books For Sale Board, located across from BE1110, lists textbooks for sale by students at the end of the quarter. To sell books on this board obtain a “Book for Sale” form in Student Leadership (above the bookstore).

The Associated Student Council Book Fund purchases textbooks to place on hold in the library for free use by all students. Students are always welcome to make suggestions for new titles with the librarian.

**BOOKSTORE**

Phone: 206.934.4148
scccbookstore@seattlecolleges.edu
www.seattlecentral.bkstore.com

**HOURS**

Mon–Thurs  8:00am–5:00pm
Fri      8:00am–4:30pm
Identification Cards

Photo identification cards are required for new students registering for credit bearing classes at Seattle Central. There is a charge of $5.00 for this ID card, payable to the Cashier located in the Registration office lobby. Students must show valid identification to obtain a student ID.

ID cards are required to check out materials from the library, to obtain proof of registration for classes, to gain access to computer labs, to get service at student offices, and to gain access to the Mitchell Activity Center. Student ID cards may also provide you with community discounts.

STUDENT IDENTIFICATION NUMBER
Students will be assigned a Student Identification number (SID) upon applying to the college. This number can be used to register for classes, access grades and schedules, pay tuition, and many other administrative purposes.

PERSONAL IDENTIFICATION NUMBER
All students are assigned a Personal Identification Number (PIN), which is their six digit birth date, after completing their initial registration process. The PIN is used for inquiry functions and can be changed by the student.

ID CENTER
Room: BE1104D

Degree & Certificate Options

ASSOCIATE OF ARTS (AA−DTA) TRANSFER DEGREE

Kenneth Lawson, Dean

The AA−DTA is a 90 credit transfer degree that fulfills general education (core) requirements for many four-year colleges and universities. The AA−DTA offers flexibility for students pursuing a wide variety of majors and areas of study.

AA−DTA INCLUDES:

Intermediate Algebra Proficiency
Demonstrate proficiency in intermediate algebra by passing MATH 098 with a 2.0 minimum grade or pass an approved college level math course.

Basic Skills − 15 credits
• 10 credits, English composition
• 5 credits, Quantitative/Symbolic Reasoning

Distribution − 45 credits
• 15 credits required in each of the three distribution areas: (1) visual, literary and performing arts; (2) individuals, cultures and societies; and (3) the natural world.
• Within each distribution area, students are required to take courses from at least two different disciplines.

Electives − 30 credits
• Must include at least 15 credits of academic/college transfer courses.
• A maximum of 15 credits of restricted electives are allowed.

A.A. Special Requirements
These are not additional credits but are taken as part of basic skills distribution or electives. They include communication, global studies, U.S. Cultures and minimum 8 credits of integrated studies.

ASSOCIATE OF SCIENCE TRANSFER (AS−DTA) DEGREE

Wendy Rockhill, Dean

The AS−DTA is a 90 credit transfer degree that fulfills general education (core) requirements for many four-year colleges and universities. The AS−DTA is designed for students wishing to pursue a degree in the sciences.

In addition to the AS−DTA, Seattle Central offers two other AS Transfer degrees:

• AS−Option One: Biological sciences, environmental sciences, chemistry, geology, earth sciences.
• AS−Option Two: Focus of study in engineering, computer science, physics, atmospheric science.
Seattle Central offers two-year degrees that give a solid foundation for transferring to a four-year college or university. We also offer professional and technical training programs that prepare you for a high-demand career, and a bachelors degree which prepares students for immediate work in the Social and Human Services field.

HELPFUL TIP FROM STUDENT LEADERS
Always check with the Admissions Office at your transfer school to see how your credits will transfer.

TO RECEIVE A TRANSFER DEGREE:
- Completion of at least 90 applicable credits with a 2.0 cumulative GPA are needed
- At least 15 credits must be earned from Seattle Central Community College.

WHAT IS THE DIRECT TRANSFER AGREEMENT?
The Direct Transfer Agreement (DTA) ensures that a student who completes the Associate of Arts degree (AA-DTA), Associate of Science Degree (AS-DTA), Associate in Elementary Education (DTA/MRP), or Associate in Math Education (DTA/MRP) at Seattle Central Community College will have satisfied most or all of the lower division general education (core) requirements at the various baccalaureate institutions.

DIRECT TRANSFER AGREEMENT SCHOOLS
- Bastyr University
- Central Washington University
- City University
- Cornish College of the Arts
- Eastern Washington University
- Gonzaga University
- Heritage College
- Northwest University
- Pacific Lutheran University
- Saint Martin’s University
- Seattle Pacific University
- Seattle University
- The Evergreen State College
- Trinity Lutheran College
- University of Washington (Seattle, Tacoma, Bothell)
- Washington State University (Pullman, Tri-Cities, Vancouver)
- Western Washington University
- Whitworth College

DOES UW-SEATTLE HONOR THE DIRECT TRANSFER AGREEMENT?
The University of Washington-Seattle campus conducts a comprehensive review of each applicant for admission. They will consider students with an AA-DTA or AS-DTA who have a minimum GPA of 2.5, along with several other factors in the application. Approximately 30 percent of UW-Seattle students come from Washington community colleges.

BECOME A TEACHER
Seattle Central offers many opportunities for students who want to become teachers.

Associate in Elementary Education (AEE-DTA/MRP) Transfer Degree
The AEE-DTA is a 90-credit transfer degree that fulfills general education (core) requirements for many four-year colleges and universities. The AEE-DTA is designed for students interested in teaching elementary and middle school grades K-8. The degree program also connects students to resources and opportunities related to the teaching field.

Associate in Math Education (AME-DTA/MRP) Transfer Degree
The AME-DTA is a 90-credit transfer degree that fulfills general education (core) requirements for many four-year colleges and universities. The AME-DTA is designed for students interested in teaching mathematics at the secondary school level, grades 9-12.

Seattle Central to the UW: Future Teachers for America
Seattle Central has teamed up with the University of Washington to offer support and resources to students who are traditionally underrepresented in the field of education. This program is for those students interested in transferring to the University of Washington to earn their teaching degree.

SEATTLE CENTRAL BACHELOR OF APPLIED SCIENCE
The Bachelor of Applied Science Program offers a substantive human services bachelor’s degree for direct service practitioners. It is designed for students with an Associate of Applied Science two-year degree in social and human services, or a related degree. Applications are accepted for fall and spring quarter entry. A minimum 2.0 cumulative GPA is required for application; however, acceptance into the program is competitive.

Professional-Technical Programs

Creative Arts

Apparel Design
Six quarter A.A.S. degree with classes in fashion, computers, design, color and sewing. This program prepares students to work in the apparel manufacturing and design industry.

Commercial Photography
Six quarter A.A.S. degree equips students with technical knowledge, creative vision and business acumen to be successful professional photographers.

Graphic Design & Illustration
Six-quarter certificate or seven-quarter A.A.S. degree which combines traditional computer-based instruction in professional design, illustration and typography.

Culinary

Culinary Arts
Six quarter certificate or seven quarter A.A.S. degree. Chef instructors transform students into chefs by teaching culinary theory and management, combined with the real life experience of preparing meals for two restauants.

Specialty Breads & Desserts
Five quarter certificate or six quarter A.A.S. degree. Students learn a combination of traditional cutting edge curricula from chefs in the classroom and in a pastry shop.

Allied Health

Dental Hygiene
Seven quarter A.A.S.-T degree which includes theory, lab, business and health courses, and clinical practice at Central’s state of the art dental facility.

Nursing
Six quarter A.A.S.-T degree which includes science courses, lab skills, nursing theory and hands-on clinical practice. The program prepares students to work as registered nurses. LPN and Rn transition degrees available.

Opticianry
Seven quarter A.A.S. degree. Opticians design and fit eyewear and contact lenses. Students get real-world experience in the campus optical shop.

Respiratory Care
Seven quarter A.A.S. degree. Learn to evaluate, treat and care for patients with breathing disorders. Class and lab instruction is combined with clinical experience.

Surgical Technology
Three quarter certificate. Surgical technologists assist surgical teams in medical operations. Students learn science, medical terminology and surgical skills in lab and clinical settings.

Jody Laflen, Dean
Linda Chauncey, Dean
Ona Canfield, Dean

Information Technology/IT
INFORMATION TECHNOLOGY/IT
Jody Laflen, Dean

Application Support
Three-quarter certificate or five to six-quarter A.A.S. degree. Students learn software applications and how to support users. Classes prepare students for Microsoft Office Specialist exams.

Business Information Technology
Three-quarter certificate or six-quarter A.A.S. degree. Real-world office skills such as customer service, management and professionalism are taught along with IT skills.

Database Administration & Development
Four-quarter certificate which trains students to organize data, install database management software and create secure databases and design database driven applications.

Network Design and Administration
Four-quarter certificate or thee-quarter certificate for Cisco, 5–6 quarter A.A.S.–T degree. Students learn to design, evaluate and manage systems such as local and wide area networks and other data communications systems.

Programming
Four-quarter certificate or 5–6 quarter A.A.S.–T degree. Trains students to write, test and maintain computer programs with an emphasis on object-oriented design.

Web Design
Four-quarter certificate or 5–6 quarter A.A.S.–T degree. This evening program trains students to create graphics, design navigational elements and structure content to produce Web sites.

Web Development
Four-quarter certificate or 5–6 quarter A.A.S.–T degree which combines programming, web design and using data bases to produce web sites.

MARITIME
Al Griswold, Executive Dean

Marine Deck Technology
Three-quarter plus an at-sea internship. On board experience plus classes in nautical science, computation and communication prepares students for a career in the maritime industry.

Marine Engineering Technology
Three-quarters plus an at-sea internship. Combines shipboard experience, engineering and computation to train students to become professional mariners.

SOCIAL AND HUMAN SERVICES
Alison Stevens, Dean

Chemical Dependency
Four-quarter certificate. Graduates will train to practice in direct service positions in Washington State licensed chemical dependency facilities.

Social & Human Services
Six-quarter A.A.S. degree. Train to work in human service occupations or prepare for a BA degree in human services, counseling or social work.

WOOD CONSTRUCTION
Al Griswold, Executive Dean

Carpentry
Four-quarter certificate or five or more quarter A.A.S. degree. Students prepare for employment in the home construction, remodeling and light commercial construction trades with hands-on shop learning.

Cabinetmaking
Five-quarter certificate or six-quarter A.A.S. degree. The combination of technical information with practical shop application prepares students for careers in cabinet making and fine woodworking.

Marine Carpentry
Six-quarter certificate or eight-quarter A.A.S. degree. Students work in a boat shop environment repairing and building both wood and fiberglass boats.

Contact information for deans on page 16
STANDARD GRADING SYSTEM

The Seattle Community Colleges use a numerical grading system. Numerical grades may be considered equivalent to letter grades as follows:

- **A**: 4.0 – 3.9
- **A−**: 3.8 – 3.5
- **B+**: 3.4 – 3.2
- **B**: 3.1 – 2.9
- **B−**: 2.8 – 2.5
- **C+**: 2.4 – 2.2
- **C**: 2.1 – 1.9
- **C−**: 1.8 – 1.5
- **D+**: 1.4 – 1.2
- **D**: 1.1 – 0.9
- **D−**: 0.8 – 0.7
- **E**: 0.0

Many programs and individual course sequences require a minimum of a 2.0 grade in order to continue with additional courses or studies. Be sure to know the specific requirements for your courses, program or college-transfer major. Consult with your advisor or counselor. Grade point average (GPA) is determined by dividing total points earned by total credit hours attempted.

NON-TRADITIONAL GRADING OPTIONS

The following letter grade options are not universally accepted by other institutions and could jeopardize the transferability of courses and financial aid status. See your advisor.

- **S−Satisfactory With Credit**: Used for individual progress, clinical, and skill development courses. This symbol is not used for college transfer courses numbered 100 and above, except designated pass/fail courses as approved by the Office of Instruction.

- **I−Incomplete**: Indicates that the student performed at a passing level, completed most of the course requirements, and intends to make up the missing work. An Incomplete is given only at the discretion of the instructor when the student has attended regularly, done satisfactory work, and furnished satisfactory proof to the instructor that the work cannot be completed because of illness or other circumstances beyond the student’s control.

  Coursework must be completed during the following quarter, excluding Summer Quarter. If the student fails to remove the I by completing the coursework in the specified time period, the I will remain on the transcript.

  The instructor must file a written statement of reasons for giving the Incomplete, listing a description of the work which the student will need to do to remove it, with the dean of the division in which the course is offered. If the student elects to repeat a course rather than make up the work, the I will remain on the transcript. The grade earned will compute in the GPA; after receiving an I in a course, a student may repeat that course only once.

- **N−Audit**: To audit a course means to register for and attend class without receiving a grade or credit. An N grade, rather than credit, is recorded on the transcript. Students must officially register to audit a course. Registration for an N may be made until the end of the second week of the quarter without the instructor’s approval and signature.

  Students are responsible for consulting with the instructor regarding class requirements. After an N is issued, the course may be repeated no more than one (1) more time. If the instructor’s requirements for an N are not satisfied by the student during the course, the instructor may issue an NC (No Credit) symbol. Students changing their status from audit to credit or credit to audit must make official changes within specific deadlines.
NC—No Credit
Indicates that the student did not fulfill the requirements for receiving an S grade, an N grade or a numerical grade in the course. A student in good standing may request an NC symbol from the instructor prior to the final examination, granted at the instructor’s discretion. After an NC is issued, the course may be repeated no more than one (1) more time. An NC does not affect a student’s GPA.

W—Official Withdrawal
This grade will be recorded and will remain on the student’s transcript. After a W is issued, the course may be repeated no more than one (1) more time.

Y—Ongoing Course
Used for a course that is two or more quarters in length. The final grade for the course will be reported at the last quarter.

GRADE ERRORS OR CHANGES
Report grade errors or grade changes immediately to the Registration office. Grade errors reported after two consecutive quarters may not be changed. Students are encouraged to consult with their instructors before initiating a grade review process as outlined in the complaint procedure. After a course grade has been assigned, supplemental or additional class work will not be accepted for the purpose of changing that grade except in the case of an I (incomplete) grade. Students must complete the coursework as directed by the instructor during the following quarter (excluding Summer Quarter).

TRANSCRIPTS
Official, sealed transcripts are required by other institutions when students transfer. Official transcripts (a copy of a student’s permanent academic record) must be requested in writing from the Registration office of the college where the classes were taken. Cost is $4 per copy and requires two working days for processing. In compliance with the Family Educational Rights and Privacy Act of 1974, grade transcripts will be released only upon written request. Students can get an unofficial transcript at no cost, via Student Online Services at the college website. Transcripts will not be released if students have not fulfilled all financial obligations to the college.
GRADUATION PROCESS

Students nearing graduation are encouraged to review graduation requirements with an advisor, faculty coordinator or division counselor. After it is determined that the student will complete the coursework required, it is the student’s responsibility to apply for the award. Applications are available in the Registration office, Advising office and division offices. Upon approval, the award will be issued. (Students must refer to their program of study for requirements on specific certificates and degrees.) Students should apply to graduate the quarter before intending completion.

Transfer-In Credits and Graduation: Students must apply to have their transfer credits evaluated no later than one quarter prior to applying for graduation.

GRADUATION REQUIREMENTS

Transfer Degrees
To earn a degree within the Seattle Community College District, a student must complete at least 90 credits and have a minimum cumulative grade point average of 2.0. At least 15 credits must be earned at the Seattle Community College granting the degree.

Professional−Technical Programs
Students in a professional−technical program should refer to their program requirements.

Note: With approval of the dean, students may elect to graduate either under the catalog in effect at the time they complete the graduation requirements or under the provisions of an earlier official catalog, provided that (a) not more than five years have elapsed since the student first enrolled under that earlier catalog and (b) the courses required for completion are still offered. The dean may make suitable substitutions in cases where courses are no longer offered. Students are advised that if they graduate under an earlier catalog some current transfer requirements of four−year institutions may not be satisfied. Students are advised to contact the transfer institution for current requirements.

COLLEGE TRANSFER CENTER

Making the decision to transfer to a four−year college or university is one that requires understanding yourself and your goals, as well as careful planning. The College Transfer Center is a service that assists students through the transfer exploration and application process and is available to all registered Seattle Central students.

Services in the College Transfer Center are available to all registered Seattle Central students who want to transfer to a four−year college or university to pursue a bachelor’s degree. The Transfer Center enables Seattle Central students to learn about transfer opportunities and to meet representatives from local and national four−year schools at college fairs, events and workshops each quarter.

The Center houses college catalogs, transfer guides, applications, and transfer planning materials. There are two student computers to help students conduct college searches, complete online applications and write transfer essays. The staff is available to answer questions and provide support throughout the transfer process.

COLLEGE TRANSFER CENTER
Room: BE1102F
Phone: 206.934.5469
SCCCTransfercenter@seattlecolleges.edu

HOURS
Mon 8:00am−4:30pm
Tues 9:00am−6:30pm
Wed 9:00am−4:30pm
Thu−Fri 8:00am−4:30pm
GRADUATING & TRANSFERRING

FIVE STEPS FOR A SUCCESSFUL TRANSITION TO A FOUR-YEAR SCHOOL

1. Explore different majors, interests and careers
2. Search for colleges that offer your major
3. Create a long-range plan with an academic advisor
4. Gather application materials and attend transfer planning workshops
5. Get your applications ready for deadlines

ACADEMIC RECOGNITION

Students are recognized for outstanding academic achievements through the Dean’s List or President’s List awards at the college they are currently attending. These awards are posted to the student’s official academic transcript.

- **Dean’s List**: Students must have 10 or more credits per quarter at the college they are currently attending and a 3.5 quarterly GPA.
- **President’s List**: Students must have accumulated 30 or more credits at the college they are currently attending and have a 3.8 or higher cumulative GPA.

PHI THETA KAPPA ACADEMIC HONOR SOCIETY

Phi Theta Kappa International Academic Honor Society recognizes outstanding students who have achieved academic excellence at two-year public and private colleges. Phi Theta Kappa offers students the chance to serve their campus and community while developing leadership skills. In addition to these benefits, Phi Theta Kappa members have access to scholarship opportunities which are not available to non-members. Each of the Seattle Community Colleges has a Phi Theta Kappa chapter and offers membership to students whose academic work meets the organization’s standards. These awards are posted to the student’s official academic transcript.
Student Resources & Support, Student Life & Engagement and Student Enrollment Services are the three departments which make up Seattle Central’s Student Services. Many of the programs which fall under these three departments have already been discussed in other sections of the handbook, and many more will follow in this section. All of these Seattle Central staff members are committed to helping students succeed, and their programs reflect the attention and support they give to our student body.

### Student Resources & Support
**Brigid McDevitt, Dean**
- Advising and Transfer Center
- TRIO/Student Academic Assistance
- Career Services Center
- College Success Program
- Financial Aid
- Veterans Affairs

### Student Life & Engagement
**Lexie Evans, Dean**
- Student Leadership
- Disability Support Services
- Women’s Programs & WorkForce Services
- M. Rosetta Hunter Art Gallery
- Mitchell Activity Center
- BE Learning Center

### Enrollment Services
**Diane Coleman, Associate Dean**
- Admissions
- Registration & Records
- Running Start
- Testing Center
- Workforce Advising

### Career Services Center
**Phone:** 206.934.4383  
**Room:** BE1102E  
**Hours:** Mon–Thu 8am–5:30pm  
[www.seattlecentral.edu/careercenter](http://www.seattlecentral.edu/careercenter)

All Career Services Center services are free to students and job seekers, one to one career assessments, advising and planning to assist individuals to explore interests, personality, skills and values and how they relate to career planning. Services include resume’ and cover letter assistance, job search and interview preparation, scholarship information, career exploration, college search, employer listings and an online automated employment service interface (for employers, students and alumni only). Free weekly workshops.

### Charles H. Mitchell Activity Center
**Phone:** 206.934.6315  
**Room:** MAC314  
**Hours:** Mon–Fri 7am–7pm; Sat–Sun 10am–4pm  
[www.seattlecentral.edu/mac](http://www.seattlecentral.edu/mac)

The Charles H. Mitchell Activity Center (MAC) provides an environment that offers diverse activities to the campus and the general community to promote healthy lifestyles, wellness and recreational programs. With facilities ranging from racquetball courts to a running track and yoga rooms, it is the perfect place to get your daily workout, but if you want a more directed health plan the MAC gives access to personal trainers and organizes drop-in fitness classes as well as workshops as part of the quarterly Health and Wellness Institute. If you prefer exercise as a social endeavor the MAC also works with the Tournaments and Games Team, a Student Leadership board, to host sports activities and tournaments for the student body.
The College Success Program seeks to diminish barriers to higher education that confront former foster youth. Many of these young people enter adulthood facing serious challenges in housing, health care, and education due to the abrupt end of much needed social, emotional, and financial support. These hardships, coupled with the usual effort required to pursue a college education, force many former foster youth to abandon their educational and career goals. They frequently endure homelessness, chronic underemployment, unemployment, and have limited access to community resources. The College Success Program offers former foster youth financial assistance and an array of support services enabling them to achieve academic success.

The Community Education Program is composed of non-credit classes and is designed to be a service to the community, offering a wide range of courses at reasonable cost. The majority of the classes are taught by members of the community with expertise in the subject they are teaching. Community Education programs focus on lifelong learning needs for personal enrichment, training and development. These programs respond to current community needs through seminars, workshops, and classes that are non-credit and may range from one evening, three hour offerings to a quarter long classes. The Community Education Program is a non-profit and self supporting. The instructor and staff salaries, materials, supplies and overhead fees paid to the Seattle Community College District are all paid out of student tuitions. Classes are open to anyone, regardless of Visa or resident status.

Cooperative Education is a “work for credit” program offered to students enrolled in college transfer or workforce education programs. Students earn academic credit for jobs, paid or unpaid internships, or volunteer service in the community. Cooperative Education is a coordinated effort among the student, the employing organization, and the college. It provides students with an opportunity to explore or clarify career choices, acquire career-related experience, improve existing skills or learn new skills applicable to future employment, and earn college credit.

The Copy Center provides copying service for students, faculty and staff. It is equipped with self-service machines, and employees are available to assist in copying, selling blue books, scantrons, envelopes, transparencies and course packets. US FAX service is also available.
COUNSELING SERVICES

Phone: 206.934.6946

Counseling services at Seattle Central include educational, career and personal counseling. The primary goals of counseling are the retention of students and facilitating access. Counselors teach students strategies to develop critical thinking skills, set academic goals, develop skills for employment, engage in lifelong learning, maintain personal wellness, and interact in a diverse environment. Counselors work in divisions throughout the college.

Types of counseling:
• Personal Counseling
• Career Counseling
• Academic Counseling
• Crisis Intervention
• Disability Support Services

Room & Hours: Check at www.seattlecentral.edu/counsel for individual counselor’s names, contact information and office hours.

Phone:

Room #:

DISABILITY SUPPORT SERVICES

Phone: 206.934.4183 (V/TTY)
Room: BE1112
Hours: Mon-Fri 8am-4:30pm

The role of the Disability Support Services office is to provide physical and academic accommodations to persons with documented disabilities. This office obtains and files disability-related documents, certifies eligibility for services, helps determine academic adjustments, and consults for the provision of such accommodations. Academic adjustments are provided to ensure access to all community college courses, programs, counseling, activities and facilities. Disability Support Services provides or arranges a variety of auxiliary services such as sign language interpreters, assistive technology, exam modifications and academic assistance. To avoid delays, auxiliary requests such as Braille and books on tape require six weeks advance notice. Interpreting services for ongoing classes require four weeks notice and interpreting services for special requests or one-time services need at least a week notice.

DINING OPTIONS

The Atrium cafeteria is open from 7:30am-3pm, Monday-Thursday and until 2:30pm on Friday. The Atrium features a variety of cafeteria-style food, including a breakfast menu, burgers, pizza, beverages, salads, sandwiches and snacks.

The C-Store (convenience store) is open from 7:30am-8pm (Mon-Thurs), and until 2:30pm on Friday. The C-Store stocks different types of drinks, snacks, pre-wrapped sandwiches, bakery products and essential school supplies.

The Buzz Espresso Stand by the Broadway entrance welcomes students, employees and visitors to the campus with espresso, coffee and smoothies. It is open from 7am-8pm (Mon-Thurs) and until 2:30pm on Friday. Student prepared pastries, including specialty desserts and breads, are also available for purchase in The Buzz pastry case during most of the quarter. The Buzz serves over 75,000 cups per year.

Please note that summer hours for all food service outlets may vary.

Square One Bistro

Hours:
Fall, Winter Spring Quarters
Mon CLOSED
Tue-Fri 11:15am-1:00pm
Summer Quarter
Mon-Thu 11:15am-1:00pm
Fri CLOSED

Square One Bistro features contemporary fast casual dining with fresh market salads, daily soups based on house-made stocks, and baked goods prepared by students in the Seattle Central Culinary Academy.

One World Dining

Hours
Fall, Winter Spring Quarters
Mon CLOSED
Tue-Fri 11:15am-12:45pm
Summer Quarter
Mon-Thu 11:15am-12:45pm
Fri CLOSED

One World Dining offers state-of-the-art menus from around the globe including traditional European, Pan-Asian, Middle Eastern and Latin American styles as well as contemporary Pacific Northwest.

During the instructional quarter, students from the Culinary Arts program prepare and serve a variety of specialty menu meals in the Square One and One World restaurants. These are open to the public. Call 206.934.5424 for menu information.
Mission Statement
The Learning Support Network provides high quality academic support to Seattle Central’s diverse student population in order to: improve comprehension, increase competence, instill confidence, and promote success.

Connect. Learn. Grow
The Learning Support Network (LSN) is a consortium of learning centers on campus that came together to provide uniform and proven support to Seattle Central’s students. These services are free to all current students. We provide one-on-one appointments, walk-in and online support. We have trained tutors some of whom are Seattle Central alumni as well as retired instructors and current students who provide a rich environment to connect, learn and grow.

BE Learning Center
Phone: 206.934.0972
Room: BE2102
Hours: Mon–Thu 9am–8pm
      Fri 9am–5pm
      Sat 9am–3pm

The BE Learning Center provides one-on-one learning support and a quiet area for personal studying. To get help at this Center, please make an appointment to guarantee your spot. We also serve walk-ins on a first-come first-served basis whenever tutors don’t have prior bookings. Appointments can be made up to one week in advance. To make an appointment, please come to the second floor of the main BE building to room BE2102. Visit the BE Learning Center for help with:

- Humanities
- Writing
- Business
- Accounting
- Economics
- Languages
- ASL/ITP
- Culinary Arts
- Apparel Design

Science and Math (SAM) Learning Centers
Phone: 206.934.3858
Room: SAM100
Hours: Mon–Fri 9am–6pm

Each discipline in the Science and Math building provides learning support for students through the Science and Math Learning Centers on a drop-in basis. Visit the SAM Learning Centers for help:

- Math Learning Center (SAM100)
- Biology Learning Center (3rd floor Bio Lab)
- Chemistry Learning Center (4th floor Chem Lab)

Math Path
Phone: 206.934.3858
Room: SAM102
Hours: Mon–Thu 1pm–5pm

The Math Path provides learning support to students enrolled in pre-college math. Faculty and student peer tutors work together to model and foster successful math learning. Visit the Math Path for help with: Math081, Math084, Math085, or Math098

Student Academic Assistance (TRIO)
Phone: 206.934.3852
Room: BE1102B1
Hours: Mon–Fri 8am–4:30pm
www.seattlecentral.edu/academic-assistance

Student Academic Assistance, a TRIO program funded by the U.S. Department of Education, promotes the success of low-income and/or first-generation students, or students with disabilities. It provides support services which include personal, academic and career counseling, transfer advising, visits to colleges and universities, personal growth and study skills workshops and tutoring services. The Student Academic Assistance Center (SAAC) also provides a wide range of services including one-on-one learning support, supplemental instruction and assessment services to students who qualify for TRIO. Please visit the SAAC center to find out if you qualify.

Visit the SAAC Learning Center for help with:

- Math
- Biology
- Chemistry
- Physics
- Languages
DISTANCE EDUCATION/ E-LEARNING
Phone: 206.934.4060
Room: BE1140
www.seattlecentral.edu/distance

Distance education courses are flexible and you can choose when and where you study. Whether the course is online over the Internet, by correspondence or via video or DVDs, you can learn at the times convenient to you. As a distance education learner you can take courses for college credit and apply them to your degree or certificate, and/or enroll in courses that interest you while improving your knowledge and skills.

INTERNATIONAL EDUCATION PROGRAMS
Phone: 206.934.3893
Room: 907 E. Pine St
Hours: Mon–Fri 8am–4:30pm
www.seattlecentral.edu/international/programs

International Education Programs helps international students with student visas understand and navigate admissions, immigration services, and college advising. The Institute of English helps foreign students with little or no background in English gain English proficiency skills for speaking, reading, and writing. Social activities, trips and tours are also offered. A handbook is available in International Education to assist students in accessing services.

LIBRARY AND MEDIA SERVICES
Circulation 206.934.4050
Reference 206.934.5421
Media 206.934.4053
Room: BE2101
www.seattlecentral.edu/library

The library offers a wide range of information resources and services. Resources include collections of books, ebooks, periodicals, DVDs, CDs, online databases, and Internet access. Study rooms, photocopiers, media equipment, wireless laptop computers and open lab computers are also available. Students may connect their own computers to the Internet via wi-fi. Librarians teach library research credit courses and workshops and provide reference services for those seeking individual research help.

M. ROSETTA HUNTER ART GALLERY
Phone: 206.934.4379
Room: BE2116
Hours: Mon–Fri 9:30am–3:30pm; Tues–Wed 5pm–7pm
www.seattlecentral.edu/artgallery

Serving the Seattle Central community since 1992, the gallery features displays that contribute toward the educational and cultural activity on campus. The gallery enhances the academic goals of the college by providing learning opportunities for entire classrooms of students that the conventional classroom cannot. Additionally, the gallery presents activities such as guest lectures and poetry readings that reflect, acknowledge, appreciate, promote, and serve the college’s multicultural population.

LOCKERS
There are Lockers available for student use located throughout the campus. Student Leadership rents the lockers, located at the South entrance. For more information on locker rentals, visit Student Leadership or call 206.934.6924
STUDENT SERVICES & CAMPUS RESOURCES

STUDENT ACCIDENT INSURANCE
Information about insurance can be obtained in the Student Leadership office. Students enrolled in six or more credit hours per quarter are eligible to enroll in this insurance plan.

MULTICULTURAL SERVICES
Room: BE1103A5
Phone: 206.934.4085
Seattle Central attracts a culturally diverse population of students who are supported by many offices in achieving their academic goals. Multicultural Services promotes institutional responsiveness to the needs of students of color and students of diverse cultural backgrounds. The office develops innovative projects, collaborates with other college departments and divisions on multicultural programs and activities, presents professional development activities on multiculturalism and diversity, and disseminates information on diversity resources for students, faculty, and staff. Programs such as the annual Students of Color Leadership Institute help new students access college support services and introduce them to "college success skills" that include math, writing, career development, multicultural leadership, and study skills. Multicultural Services and Student Leadership also organize the Seattle Central student contingent that attends the annual Washington State Students of Color Conference.

NOTARY PUBLIC
Currently there are two Notary Publics at Seattle Central. One is in the Financial Aid Office, and the other is in the Administration Center. Faculty, Staff, and students may request their services.

SERVICE LEARNING
Phone: 206.934.6997
Room: BE1103
www.seattlecentral.edu/course/servlearn
Service Learning is an educational program combining community involvement with academic instruction and is linked to specific classes as either a requirement or an option. Course assignments and final grades are determined by the faculty of the linked course. Advantages of Service Learning include the opportunity to enhance understanding of course content, build experience for a resume, explore career options, and earn college credit. Please contact the Service Learning department for more information.

M. ROSETTA HUNTER ART GALLERY
Phone: 206.934.4379
Room: BE2116
Hours: Mon−Fri 9:30am−3:30pm; Tues−Wed 5pm−7pm
www.seattlecentral.edu/artgallery
Serving the Seattle Central community since 1992, the gallery features displays that contribute toward the educational and cultural activity on campus. The gallery enhances the academic goals of the college by providing learning opportunities for entire classrooms of students that the conventional classroom cannot. Additionally, the gallery presents activities such as guest lectures and poetry readings that reflect, acknowledge, appreciate, promote, and serve the college's multicultural population.
STUDENT LED INFORMATION CENTER

Location:
At the time of writing, the final location of The Student-led Information Center was undetermined. It will be located somewhere on the main floor of the BE building between the BUZZ cafe and the Testing Center.

Hours (tentative):
Mon–Fri  9:00am–3:00pm
Mon–Thu  5:00pm–7:00pm

Mission statement
The Student-led Information Center aims to enhance student involvement and academic success by providing the student body with a centralized, accessible location for campus opportunities and resources.

We are here to enhance the work of all other programs at Seattle Central by providing accessible and knowledgeable staff capable of either answering any question or directing inquirers to the relevant program office for more specific information. Our staff are highly trained and well versed in the resources and opportunities available at our college, and we can assist students in accessing the tools needed to help them succeed at Seattle Central.

TRANSPORTATION

Phone: 206.934.6932
Room: BE1143
Hours: Mon–Thu 8am–4:30pm
www.seattlecentral.edu/transportation

The Transportation Services office is here to help you. Drop by the office or visit the Web site for information, forms and more.

Public Transit
Seattle Central is well served by excellent bus service. Metro routes 9, 10, 49 and 60 provide direct access to the campus on Broadway and E. Pine. In addition, routes 8, 11 (125 from SW Seattle) and 43 are a mere block away. The school offers a bus pass, but don’t forget to check the metro website for more information and to compare rates for your particular location.

Student Parking
Parking is limited at Seattle Central and in the Capitol Hill area. Two types of parking permits are available to students: daytime (all day) and evening (non-evening) permits. The daytime permit is through a lottery, and all students are eligible to submit their names during the parking registration period. The evening permit is available for students attending classes beginning at noon and throughout the evening. Purchase evening permits at the campus cashier.

Student Carpools
Student carpools are required to register with Transportation Services. A student carpool is defined as three or more registered, paid students commuting together for at least 50% of the carpool’s longest individual commute distance. Student carpooling is free between 7am and noon, Monday through Friday. A student carpool permit is required. All carpool parking is available on a first come first serve basis. Availability of parking space and permits is not guaranteed.

Bicycles and Motorcycle
Students riding bicycles and motorcycles can park free on campus. No permit is required, but all bicycles and motorcycles must park in the designated areas.
WOMEN’S PROGRAMS AND WORKFORCE SERVICES
Room:  FA202
Phone:  206.934.3854
Hours:  Mon−Fri 8:30am−4:30pm
www.seattlecentral.edu/womensprograms

Seattle Central Women’s Programs and WorkForce Services helps students identify and achieve their educational goals by assisting with access to education. We support students toward completion of educational programs by providing resources in areas such as career planning, registration, testing, financial aid, and child care. Staff members are available to answer questions, provide information about various funding sources, such as WorkFirst, Basic Food Education & Training (BFET), Opportunity Grant, and Worker Retraining. We partner with numerous community based organizations that also provide various forms of support and assistance in the educational journey of students at Seattle Central. We offer a Noon−Lecture Series (2 credits) on Wednesdays from Noon to 1:50, which provides presentations by speakers and documentaries discussing women’s global and local issues. Further information regarding services can be obtained by visiting Women’s Programs and WorkForce Services, which is located in the Fine Arts Building on the corner of Harvard and Pine.

VETERANS AFFAIRS
Room:  BE1104
Phone:  206.934.4147

The Veterans Affairs Office, located inside the Financial Aid Office, provides services to help veterans and eligible dependents receive and maintain VA educational benefits while in school. Benefits handled by the staff include Vietnam-era and Montgomery G.I. Bills, Veterans Education Assistance Program (VEAP), Benefits Program for Dependents and Widows, Selective Reserve Assistance Program, Vocational Rehabilitation Program and other programs. The office maintains attendance records and monitors academic progress, provides tutorial and work−study benefits for some veterans, makes counseling referrals for academic or personal problems and approves eligibility for tuition discounts for veterans who have received a Vietnam Service Medal.

To Receive Benefits:
Contact the Veterans Affairs Office prior to the beginning of the academic quarter. If you are transferring from another school or have completed applications through the Veterans Administration you should still contact the office to ensure all application requirements have been met.
Student Leadership

**STUDENT LEADERSHIP MISSION STATEMENT**

Student Leadership facilitates leadership development and supports student involvement creating connections for student success.

Student Leadership supports a mix of activities and programs which create an atmosphere of opportunity for students to develop and practice organizational and leadership skills in a nurturing learning environment. The broad range of student activities provide a stimulating environment which enhances personal growth and fosters social and professional development. Student boards, councils, clubs, and committees provide a wide variety of outstanding leadership opportunities for Seattle Central students.

---

**Student Organizations and Clubs**

Getting involved in a student organization is an excellent way to enhance your education at Seattle Central. There are clubs serving a wide variety of interests. Student organization members can gain experience and skills in event planning, public speaking, publicity and marketing, and more. Student organizations are a good way to make friends with other students who share similar interests, to explore your campus and to build your community. For a complete list of student organizations on campus, or more information on how to get involved, visit the Student Leadership office above the bookstore.

Room: SAC357
Phone: 206.934.3165

---

**Student Organizations Resource Council**

The Student Organizations Resource Council (SORC) is a team of students who facilitate the organization and orientation of Seattle Central's club life. SORC helps clubs access the information, resources, and training available to them through Student Leadership. SORC reviews student organization funding requests, and organize the Seattle Central Interclub Council. SORC members organize a Student Involvement Fair every quarter for the student body at Seattle Central to learn about the diverse Seattle Central Student Organizations and to inform the student body on how to form their own clubs.

Room: SAC357
Phone: 206.934.3165

---

**Associated Student Council**

The Associated Student Council (ASC), the official student government of Seattle Central is responsible for representing student interests to the college administration. The ASC facilitates the organization of a broad range of student committees that work to address issues and concerns and promote services that enhance students’ experience at Seattle Central. The ASC consists of six student executives, chosen through a rigorous peer selection process annually, and six associates who can apply throughout the year to work on specific projects. Applications are available spring quarter and ASC members serve from September to June. To be eligible to apply you must have completed 15 credit hours, be registered for 10 credits, and have a GPA of 2.5.

Room: SAC356
Phone: 206.934.4057

---

**College Activities Board**

The College Activities Board (CAB) is a team of students who develop and organize multicultural events and activities on campus that celebrate the diversity of our community, promote student involvement, and foster collaboration among student organizations. CAB members gain hands on experience in all aspects of event planning including booking, promoting, and management. Clubs at Seattle Central can also request event planning assistance from CAB. Unity Fair, a multicultural, student organized fair that celebrates the diversity and accomplishments of the year. The event always includes bands, performers, presentations, games, and more.

Room: SAC355
Phone: 206.934.6335
STUDENT LEADERSHIP MISSION STATEMENT
Student Leadership facilitates leadership development and supports student involvement creating connections for student success. Training and Recognition

STUDENT DEVELOPMENT TRANSCRIPT

The Student Development Transcript (SDT) is an official way to record and verify extracurricular involvement and accomplishments at Seattle Central. Students involved in clubs, committees, Student Leadership boards, and various other learning experiences outside of the classroom complete the quarterly SDT activity documentation sheet. This sheet captures the dates and times of any meetings, training, event planning, service, and ambassador related activities in which students lead and/or participated in. Students submit the quarterly sheet to Student Leadership and it is formally recorded in their personal Student Development Transcript record.

Each quarter they continue to add information about their involvement and accomplishments. In just a few quarters they’ll begin to build a bank of information that will formally document their extracurricular and leadership achievements. They can request their official Student Development Transcript to enhance their applications for four-year institutions, scholarships, and employment. Get involved and take advantage of this valuable service. To get more information, visit the Student Leadership Office above the bookstore.

LEADERSHIP INSTITUTE

Drop-in training sessions every Tuesday at 2:00pm in MAC210 are open to all students. The sessions are facilitated by various Seattle Central staff members and members of the Seattle community. The sessions cover essential leadership topics such as time management, individual core values, and listening skills. For a schedule, please visit the Student Leadership Office above the bookstore.

HELPFUL TIP FROM STUDENT LEADERS

Take advantage of these drop-in training sessions! Look at the schedule of workshops early in the quarter and decide which ones you want to attend.
WEDNESDAY NOON LECTURE SERIES

Women’s Programs offers a Wednesday Noon Lecture Series that is free and open to all students and the public. The series features presentations on a wide range of global perspectives on women in other cultures; such as, the oppression of women through the lack of medical services and absence of educational opportunities, as well as the increased opportunities for women resulting from global connectedness and use of technology. Local speakers address topics that increase awareness of needs and resources pertinent to the women in our community. Community members are encouraged to attend the lecture series. Students also have the option to earn college credit for attending the lecture series. If you wish to obtain credit register for HDC 190: Women in Society.

For more information on these courses please contact the Student Leadership Office, above the bookstore.

HDC120: INTRODUCTION TO LEADERSHIP THEORY AND PRACTICE

Course Item Number: 3978
Tuesdays/Thursdays
12:00pm−1:30pm

This seminar-style course is designed to provide a context in which to develop concrete organizational leadership, presentation and communication skills sufficient to participate in leadership on campus or in a community. The course will provide a foundation of knowledge about institutional structure using Seattle Central as a model, exploring the mission and goals and studying the organization. Assigned reading and class discussion will assist students to elevate their understanding of contemporary leadership theory and practice. The text, Leaders Companion, is a collection of readings that address some of the main dynamics shaping leadership in a society of equals.
Committees

WHAT IS A COMMITTEE?

Committees are groups of individuals working together on a particular project or issue, sometimes as part of a larger group. There are many Seattle Central college-wide committees that request student participation as well as committees comprised only of students. Some meet every week and others may meet just once a quarter. The majority of committees in search of members are listed here.

MINIMUM QUALIFICATIONS TO SERVE ON A STANDING COMMITTEE:

- Must currently be enrolled as a Seattle Central student;
- Must be available to attend committee’s regularly scheduled meetings.
- Must be able to make the commitment to attend committee meetings on time and be prepared.
- Must conduct yourself in a courteous and professional manner even in group dynamics when you may have strong opinions.
- Must take responsibility to present information about your committee to the Seattle Central campus community, if necessary.

LIST OF SEATTLE CENTRAL STANDING COMMITTEES:

ASSOCIATED STUDENT COUNCIL COMMITTEES

ASC Selection Committee: This committee will recruit new members for the ASC during this council year, as well as for the next council year. This committee will also recruit members to review applications and conduct student interviews.

ASC Book Committee: The mission of this committee is to identify expensive books that will be used by many students and purchase Library reserve copies as a way of assisting students who lack the funds for textbooks. The committee is convened & chaired by the ASC Finance Executive in the Fall Quarter, but may continue to buy needed texts throughout the year.

Issues and Concerns Board: This committee serves as a guiding resource to address and seek resolution of issues and concerns for the student body of Seattle Central. This board is convened by the ASC Issues and Concerns Executive, and meets weekly to assist the students with questions or problems and refers them to the appropriate campus resource, and if necessary or possible, assist them to address their problem.

Service and Activities (S&A) Budget Sub-Committee: This sub-committee meets winter quarter to hear reports on the work of all programs funded by “service and activity funds” and works spring quarter reviewing the S&A funding requests for the following year. Chaired by the ASC Finance Executive, the committee included up to six other students. The S&A funds that this committee allocates help support various student services.

Student Success Committee: This committee is comprised of a group of students from the campus community and the Associated Student Council working together to support student educational planning by encouraging instructors to provide a course syllabus online, so that students can effectively choose classes and instructors that suit their learning style upon registration.

HELPFUL TIP FROM STUDENT LEADERS

Every single governing committee on campus has a student representative. Join a committee because even with limited time, you can make a meaningful impact on your campus.
COLLEGE ACTIVITIES BOARD COMMITTEES

Film Series Committee: This committee works with the College Activities Board to help decide the films chosen to be shown on campus. This committee also organizes the annual Seattle Central Film Festival.

Multicultural Events Committee: This committee involves a variety of students in the planning and production of events that celebrate the multicultural diversity of the Seattle Central Student Body. Some of these events include Dia de los Muertos, Lunar New Year, Black History Month, Women’s History Month and more.

Activities Committee: This committee works to organize activities that promote fellowship on campus. Some of these activities, often organized in collaboration with clubs, include the annual Halloween costume contest and games, Valentine card making, Earth Week celebrations and poetry readings. The Annual Seattle Central Unity Fair is also organized by this committee.

STUDENT WEBSITE AND PUBLICATIONS TEAM COMMITTEES

Central Circuit Photography Subcommittee: A group of students with their own semi-professional or professional cameras that are designated photographers for Central Circuit articles.

Central Circuit Writers and Reporters Subcommittee: Anyone who wants to write or report for Central Circuit is welcome to join this committee. We will be hosting workshops on news writing with a change to get your work published.

Central Circuit Layout Subcommittee: This committee is in charge of taking all the articles, photos, ads and other bits, and fitting them to individual pages in Central Circuit. Especially suited for people interested in publishing and graphic design.

Central Circuit Advertising & Marketing Subcommittee: This committee is devoted to the advertising of Central Circuit to local businesses, keeping up with campus events that can be issued, and help coordinating Release Day Events for every Central Circuit Issue throughout the year. We strongly encourage business majors who want to build their resumes to participate actively.

CAMPUS–WIDE COMMITTEES

College Planning Council: The College Planning Council is a representative body that advises the President on behalf of the entire college community on vital matters that are of the highest importance to the college such as Seattle Centrals mission, values, goals, resource allocations, student success and achievement, and institutional evaluation and effectiveness. The CPC will have two student members each year.

Emergency Safety Committee: This campus wide committee addresses safety and emergency planning issues on campus. Members will monitor and review safety and health practices campus-wide, educate the campus community regarding safety issues, and assist in correcting identified unsafe practices or conditions.

Publications Board: This group is comprised of the ASC Executive of Communication staff, faculty and students to address publishing issues, which may arise for the Seattle Central student publications, protect publications from censorship, investigate charges of libel, uphold the Newspaper Code of Ethics, and mediate any charges of misconduct.

Sustainability Committee: This committee works with college administration to examine and improve sustainable practices on campus and to educate the Seattle Central Student Body about the environmental and philosophical concept of sustainability.

Tech Fee Committee: This committee, comprised of five students and four staff, meets Fall & Winter quarters to accept and review requests for funds provided by the Universal Technology Fee. These funds are allocated to computer technology that provides the greatest possible service to the greatest number of students.

For more information about joining a Seattle Central Committee visit the Student Leadership Office above the bookstore.
Student Complaints Process

The Seattle Community College District has developed policies and procedures that are generally set forth in the Washington Administrative Code (WAC) chapter WAC 132F 122 (370.10 .70) to be used for the processing and disposition of complaints about campus employees. These procedures are designed to respect the rights and dignity of both the complainant and the respondent in the resolution of the problem. Students’ rights are carefully protected to ensure that students do not suffer retaliation from articulating a problem or filing a formal complaint.

There are numerous resources available to assist students to resolve problems or complaints that may arise in class or on campus.

The Dean of Student Life and Engagement is the designated campus complaints officer and is available to meet with students to discuss issues, devise problem solving strategies, and, if necessary, guide them through the formal complaints process. You may make an appointment (206.934.3840) to meet for assistance and advice before taking any other steps or anywhere in the process where you feel the need for advice or support.

**STEPS TO A SOLUTION**

**STEP #1.**
The person you are having the problem with is always the best person to talk to first.

We strongly encourage a student who has a complaint to speak directly with the college employee most responsible for the condition or situation that is the cause of the complaint, and hopefully solve the problem with dialogue. Most problems are resolved at this stage with calm objective conversation and good will. If you are uneasy about how to approach the subject, any of the following people, (in addition to the complaints officer) can advise and assist you:

- Your division counselor is an excellent resource to assist you. Call 206.934.3851 for information about counselors.
- The Women’s Programs Director, 206.934.3854, and the Human Resources Officer, 206.587.4125 V/TDD, can provide information and guidance about sexism and sexual harassment.
- The Multicultural Services Director, 206.934.4085, can assist you with concerns about racial discrimination.

**STEP #2.**
The individual dean for the program or division in which you are experiencing a problem can often be very helpful in negotiating between you and the employee to resolve differences or find a solution to the problem.

- If your conversation with the instructor or staff member does not result in a satisfactory response, or if there is some reason that makes it inappropriate to speak with the employee, the next step is to make an appointment to speak with the employee’s supervisor. Normally this will be the dean of the division or program.
- See the Division and Dean Contact Information box on the left.
- You will be encouraged at this point to write an Advocacy Request, clearly explaining your complaint or problem, identifying evidence and describing the resolution that you seek. (The campus complaints officer can assist in identifying the appropriate supervisor and advise students in the presentation of their Advocacy Request.)
- The division dean will investigate the issues articulated in the Advocacy Request and make a serious attempt to achieve a mutually satisfactory solution to the problem.

**STEP #3.**
The purpose of filing a formal complaint with the student complaints officer is to provide due process to both parties in the solution of a problem or complaint that a student has been unable to resolve or settle informally.

**FORMAL COMPLAINTS PROCESS**

The complaints officer will guide the student through all the appropriate steps.

- The steps and the timeline in the formal complaints process will vary somewhat depending on the situation.
- Formal complaints must be addressed, in writing, to the campus complaints officer. It is advisable to meet with the complaints officer to discuss the matter prior to writing your letter. It is important that your written complaint is clear and well organized, that the situation is explained in detail, and that you include all supporting materials and documentation.
- The complaints officer will send a copy of your complaint letter to the person named in the complaint and to the head of the department or division. The person about whom you are complaining is required to respond in writing about your complaint to the complaints officer within 10 instructional days of receiving the letter.
- If the written response does not resolve the complaint, the complaints officer will call the parties together for a conference where they can talk face to face in an atmosphere of fairness and cooperative problem solving. This meeting will include the student, the respondent, the respondent’s supervisor or unit administrator, and the complaints officer. The student may bring an advocate.

**APPEAL PROCESS**

If the complaint is not resolved at the conference, the student may ask the complaints officer to request an administrative review by the Vice President of Instruction and Student Services.

**STUDENT CONDUCT**

The Vice President of Instruction and Student Services, 206.934.5481, can address complaints about the behavior or conduct of another student on campus. The following pages include more information regarding the Student Conduct Code.
STUDENT CONDUCT
PROCEDURES
Any member of the college community (faculty, staff, students, administrators) may file a student conduct complaint against any student when they believe there has been a violation of the student conduct code.

Student Responsibility
Any institution serving thousands of people must have rules, policies, and procedures protecting and supporting a cooperative educational environment. To maintain this environment, the college outlines a code of conduct that defines both misconduct and proper / appropriate conduct. A student’s responsibility in maintaining a good environment is to:

- Maintain high standards of academic integrity.
- Respect the rights of others.
- Refrain from actions that endanger themselves or others.
- Comply with district and college rules and regulations.
- Comply with the civil authority. When these areas are violated and a simple means of resolution is attempted and unsuccessful, conduct proceedings may begin.

Washington State Administrative Code WAC 132F 121 110
All examples of misconduct / disruptive are behaviors that the campus imposes sanctions upon. For a full description of student misconduct refer to the Washington Administrative Code, WAC 132F121 110.

- Academic dishonesty, including cheating and plagiarism.
- Forgery, alteration, or misuse of documents and false statements.
- Disruption of instruction, research, administration, and other district activities.
- Physical or verbal abuse, harassment of any person on district property.
- Theft, damage, or possession of district or personal property.
- Failure to comply with direction of district employees or identify oneself to persons when requested.
- Participation in activity which unreasonably disrupts the normal operations of the district.
- Possession or use of any device or substance which can inflict bodily harm or damage property.

- Hazing of any type.
- Possession, consumption, or being under the influence of alcohol, or selling any such drug or substance.
- Possession, consumption, or being under the influence of narcotic drugs or controlled substances, or selling any such drug or substance.
- Obstruction of free flow of pedestrian or vehicular movements on district property or at a district activity.
- Conduct which is disorderly, lewd, or obscene.
- Breach of peace, or aiding, abetting, or procuring a breach of the peace.
- Discriminatory action against a student or district employee because of race, color, national origin, mental / physical disability gender, sexual, orientation, age, creed, or religion.
- Sexual harassment of a student or district employee.
- Stalking and other harassment of a student or district employee.
- Smoking inside a campus building or smoking where smoking is prohibited.

- Theft or other misuse of computer time or other electronic information resources of the district.
- Unauthorized entry onto or into district property.
- Abuse or misuse of any procedures relating to student complaints or misconduct.
- Operation of any motor vehicle on district property in an unsafe or threatening manner.
- Violation of any other district rule, requirement, or procedure.
- Violation of any federal, state, or local law, rule, or regulation.
- Encouraging or assisting another person to commit any act of misconduct.
**Disruptive Persons**
If a student or other person on the campus is disruptive please call Campus Security at 206.934.5442 for assistance. When students enroll at Seattle Central they assume the obligation to observe standards of conduct which are appropriate to the college’s pursuit of its educational objectives. It is assumed that the students will conduct themselves as responsible members of the college and the community. When a student does not carry out his / her obligations to comply with district and campus rules misconduct may have occurred. Misconduct is defined by Seattle Community College District as that which adversely affects the institution’s pursuit of its educational objectives. According to WAC 132F 120 110 misconduct for which the campus may impose sanctions is defined and handled by the Vice President of Instruction and Student Services. On these occasions when you are involved with a student who has violated the code you may refer them to the Vice President of Instruction and Student Services. To refer various codes of conduct complete a Student Conduct Incident Report. They are available through the Vice President of Instruction and Student Services or call 206.934.6976.

**Disruptive Sanctions**
One or more of the following sanctions may be imposed by the Student Conduct Committee or the Vice President of Instruction and Student Services (or designee) for any single violation. For a full description of possible disciplinary sanctions see WAC 132F 121 160 and 132F 121 250.

- **Warning:** An oral notice to the student of the violation.
- **Reprimand:** A notice warning to the student that further misconduct will result in serious disciplinary actions. There shall be no appeal from a reprimand.
- **Disciplinary Probation:** Placement of one or more conditions on the student’s continued attendance. The time period of the probation will ordinarily be stated in the notice (indefinite or specific).
- **Suspension from Activities:** Disqualifies the student from participating in specifies (or all) privileges, services or activities that are provided or sponsored by the district for a stated or indefinite period of time.
- **Suspension of Enrollment:** Termination for a stated or indefinite period of time, of all rights as an enrolled student in the college and / or the district.
- **Emergency Suspension:** Temporary suspension of all rights as an enrolled student when necessary to prevent or avoid immediate danger to the health, safety, or welfare of any member of the public, including the district community.
- **Expulsion:** Permanent termination of a student’s enrollment and right to enroll at any college or other educational facility in the district. All expulsions are approved by the college president.
- **Summary Suspension:** Temporary suspension of all, or specifies, rights as an enrolled student when necessary to prevent or avoid immediate disruption, danger, or other harm to the educational process or the health, safety, or welfare of any member if the public, including the district community.

**Student Status During Misconduct Proceedings**
During the misconduct proceedings and pending actions a student’s status is not changed by a disciplinary action until that action is final, i.e. any appeal is exhausted unless there is a basis for a summary or emergency suspension. It is always hoped that the situation can be resolved with as few steps as possible. For situations that are more disruptive than unethical or illegal it is hoped that the incident can be resolved by mutual consent or verbal warnings. It is at times necessary to impose disciplinary sanctions upon a student and / or precede with formal misconduct proceedings. The varieties of conclusions or sanctions are:

- The case may be dismissed if the facts do not support the accusations.
- The case may be dismissed after whatever counseling and / or advice may be appropriate.
- Vice President of Instruction and Student Services may impose sanctions directly.
- The case may be referred to the campus Student Conduct Committee for appropriate action. The student will be notified of this referral in writing.

**Division Counselor**
Counselors are there to help with course planning and success in classes, but also with personal problem-solving and solutions to common and uncommon problems students face everyday. Seattle Central has policies to protect the physical and mental health of the students, staff, and faculty members. Find your division counselor at www.seattlecolleges.edu/ counsel.
ENVIRONMENT, PHYSICAL SAFETY AND BEHAVIOR

1. Campus Security Offices
   Students should use the same caution as they would in any public place in taking care of their personal safety and personal belongings. Campus safety security offices provide helpful information for the campus community. Call 911 for serious emergencies.

2. Safety & Security
   Students are obligated to respect the rights of others and to refrain from any actions endangering the health, safety, and welfare or property of others. Students are expected to comply with the policies, procedures and regulations approved by the Board of Trustees and with Washington state and federal regulations.

3. Campus Crime Data
   Statistics on criminal incidents, as required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, are available at college safety/security offices, as well as on individual campus websites. For the last three years, campus crime data, along with general information, is provided by the Office of Postsecondary Education of the U.S. Department of Education: www.ope.ed.gov/Security.

4. Alcohol & Drugs
   Alcohol and drugs are prohibited. The district prohibits the abuse of alcohol and the unlawful manufacture, distribution, possession and use of illicit drugs. This policy applies to all employees and students of the Seattle Community Colleges while they are on District property or while they are conducting college business, regardless of location. To provide a healthy, safe, and secure working and learning environment, each employee and student of the Seattle Community College District is expected to be in an appropriate mental and physical condition to perform assigned duties and fully participate in the learning process. Seattle Community College District Policy 249 (Drug Free Workplace), and resources for students and employees who need assistance with substance abuse problems, are outlined in a brochure available on each campus and at www.seattlecolleges.edu/policies.aspx. National Institutes of Health provide a list of drugs and their dangers and effects: http://www.nida.nih.gov/drugpages.html.

5. Firearms
   The possession of firearms on campus is not allowed.

6. Sexual Harassment
   The Seattle Community College District is committed to providing a working and educational environment that is free from sexual harassment of any kind. It is not tolerated at any District institution. All employees and students have the right to a working and educational environment free from sexual harassment. This institution defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. Employees and students are encouraged to report their concerns or complaints about sexual harassment. Retaliation against any individual for making a complaint about or cooperating in a sexual harassment investigation is not permitted. Student complaints regarding sexual harassment shall be processed in accordance with District Policy and Procedure 419.

7. Smoking
   Smoking is prohibited indoors, and within 25 feet of the entrance to any public building, per Washington state law.

8. Disciplinary Action
   Disciplinary action will be taken against students who violate standards of conduct established by the college. If informal procedures do not resolve the issue, formal committee proceedings may be initiated.
EQUAL OPPORTUNITY

The Seattle Community College District is committed to the concept and practice of equal opportunity for all its students, employees, and applicants in education, employment, services and contracts, and does not discriminate on the basis of race or ethnicity, color, age, national origin, religion, marital status, sex, gender, sexual orientation, Vietnam era or disabled veteran status, political affiliation or belief, citizenship/status as a lawfully admitted immigrant authorized to work in the United States, or presence of any physical, sensory, or mental disability, except where a disability may impede performance at an acceptable level. In addition, reasonable accommodations will be made for known physical or mental limitations for all otherwise qualified persons with disabilities. Inquiries regarding compliance and/or grievance procedures may be directed to the college’s Title IX/RCW 28A.640 officer and/or Section 504/ADA coordinator.

Disability Support Services Offices

Disability Support Services Offices provide physical and programmatic accommodations to persons with documented disabilities. This is carried out within the overall goals and mission of the Seattle Community Colleges Policy and Procedure 387 Reasonable Accommodations for Students with Disabilities. Legal Authority: U.S. Americans with Disabilities Act (PL. 93-112) and RCW 49.60. To be eligible for disability related services, students must have a disability as defined by the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. Under the ADA and Section 504, a person has a disability if he or she has a physical or mental impairment that substantially limits one or more of the major life activities (walking, standing, seeing, speaking, hearing, sitting, breathing, and taking care of oneself). On each campus, Disability Support Services is the designated office that obtains and files disability related documents, certifies eligibility for services, helps determine academic adjustments, and consults for the provision of such accommodations. Academic adjustments are provided to ensure access to all community college courses, programs, counseling, activities, and facilities. Disability Support Services provides or arranges a variety of auxiliary services to the community college, such as sign language interpreters, assistive technology, exam modifications, and academic assistance. Auxiliary requests such as Braille or books on tape are to be requested at least 6 weeks in advance. There may be a delay in services with less notification. Request for interpreting services with less than four weeks notice for ongoing classes can result in delayed services. At least 3 business days are required for special requests/time services and at least a week’s notice for high profile events. The Disability Support Services Office offers consultation to faculty, staff, and classified employees of the college for the purpose of designing accommodations that provide equal access to otherwise qualified students regardless of age, gender, race, or sexual orientation. See www.seattlecolleges.edu/adacs.aspx.

REASONABLE ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

Alternative Telephone Access

People who are deaf, hard of hearing, deaf blind or speech disabled may access the colleges through free communication services provided by the Washington Relay Service:

- TTY text telephone: 7 1 1 or 1 800 833 6384
- Voice carry over (VCO): 1 800 833 6386
- Hearing carry over (HCO): 1 800 833 6388
- Speech to speech (STS): 1 877 833 6341
STUDENT RECORDS

1. Confidentiality of Records (FERPA)
The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. & 1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education. Information about Seattle Community Colleges students is collected, maintained, and used to meet the college’s educational objectives. Students are protected against improper disclosure of their records. These rights begin the first day of class and extend to all former students. *Amended in November 1996 by the Improving American Schools Act of 1994.

2. Student Rights and Educational Records
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the College receives a request for access. A student should submit a written request that identifies the record(s) the student wishes to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the college official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading or otherwise in violation of the student’s privacy rights under FERPA. A student who wishes to ask the College to amend a record should write the college official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the College decides not to amend the record, as requested, the College will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of a right to a hearing.

3. The right to provide written consent before the College discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure with our consent. The College discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel, and health staff); a person or company with whom the College has contracted or is assigned to provide a service instead of using College employees or officials (such as an attorney, auditor, collection agent, or a clinical, intern, or extern site); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the College. In addition, upon request, the college discloses education records without consent to officials of another school in which a student seeks or intends to enroll.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the College to comply with the requirements of FERPA.

3. Disclosure of Student Directory Information
The College may disclose the following directory information unless a student affirmatively submits a written notice to the Registrar’s Office requesting his/her directory information not be released.

4. Student Identification Numbers
Student identification numbers are used in college transactions. Students are assigned individual student identification numbers (SID numbers) for use in college transactions such as web based services and other student services. To comply with federal laws, the colleges are required to ask for the student’s Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). Colleges use the SSN/ITIN to report American Opportunity Tax Credit or Lifetime Learning tax credit, to administer state-federal financial aid, to verify enrollment, degree and academic transcript records, and to conduct institutional research. Pursuant to state law (RCW 28B.10.042) and federal law (Family Rights and Privacy Act), the college will protect the student’s SSN from unauthorized use and/or disclosure. If a student does not submit a SSN/ITIN, the student will not be denied access to the college; however, the student may be subject to civil penalties.
SUMMARY OF CIVIL AND CRIMINAL PENALTIES FOR VIOLATION OF FEDERAL COPYRIGHT LAWS

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court can, in its discretion, also assess costs and attorneys’ fees. For details, see Title 17, United States Code, Sections 504, 505.

Willful copyright infringement can also result in criminal penalties, including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the Web site of the U.S. Copyright Office at: www.copyright.gov.

IMMUNIZATION POLICY

Seattle Central Community College does not currently require verification of vaccinations but encourages students to observe recommendations by the Seattle King County Public Health Department. Visit http://www.kingcounty.gov/healthservices/health/communicable/immunization/adults.aspx to find immunization schedules and recommendations for adults, as well as vaccine preventable disease fact sheets and vaccine information. Individual programs may have specific requirements; contact your program office for more information.

OFFICIAL POLICIES & PROCEDURES RELATING TO STUDENTS

Student Rules in the Washington Administrative Code

The official rules for students at the Seattle Community Colleges can be found in the Washington Administrative Code, Chapter 132F 121 WAC Student Activities, Rights and Discipline.

District Policies Relating to Students

Seattle Community College policies may be viewed at www.seattlecolleges.edu/policies.aspx. Every reasonable effort has been taken to ensure the accuracy of this information. However, readers are encouraged to contact the individual Student Services departments for further information.
The Department of Campus Safety & Security is charged with the authority to protect life and property, enforce laws and ordinances, maintain order, and prevent and investigate crimes occurring on properties belonging to Seattle Central Community College. It is our mission to provide a safe learning and working environment for students, staff, and faculty here at Seattle Central Community College. This mission is accomplished through pro-active patrol and enforcement of laws and college regulations.

In addition, the Department of Campus Safety and Security also assists 911 emergency personnel in responding to emergency situations involving but not limited to the following; fires, medical assistance, and natural disasters. Please help us in continuing to do so by reporting all criminal activity, accidents, or injuries to the Department of Campus Safety and Security at 206.934.5442. Students, who are aware of any possible safety issues at Seattle Central Community College, should not hesitate to contact the safety committee by contacting the security office. Depending upon the circumstances or situation, one or more of the following methods of communication listed to the right may be used to alert our campus community of an emergency situation.

### INCLEMENT WEATHER INFORMATION

In cases of closure due to weather related emergencies such as snow, a decision and announcement regarding closure will be made by the Seattle Central President and Public Information Office. Each college in our district acts independently in the case of bad weather. Hence, the North campus may close while Seattle Central remains open.

Remember: Seattle Central is OPEN unless you hear otherwise from one of the sources below:

- Campus Alerts: https://alert.seattlecolleges.edu
- On the Seattle Central website: http://seattlecentral.edu
- http://www.schoolreport.org
  Click on the "college" tab at the left and then on Seattle Central Community College.
- Seattle Central closure line: 206.934.5464 (934.KING).
  This is a dedicated line that has been set up for the college (including students).
- Radio and TV news: All major radio and television stations regularly announce closures or delays, which they pick up from the school report website.
- Facebook: http://seattlecentral.edu/facebook

### CAMPUS SAFETY AND SECURITY

Room: BE1131
Phone: 206.934.5442

www.seattlecentral.edu/security
LOST AND FOUND
Lost and Found is located inside the Campus Safety and Security office located in the Broadway Edison building room 1131. The main entrance for the Campus Safety and Security office is located at 1702 Harvard Avenue, Seattle, WA 98122. If you would like to check for lost items it’s always best to stop by in person. However, if you are unable to stop by in person please feel free to call the Department of Campus Safety and Security at 206.934.5442. Someone will be glad to assist you in checking for lost items.

EXERCISE REASONABLE CAUTION ON CAMPUS
- Remember, you are in an urban environment within a large city, please act accordingly and responsibly in preparing for your personal safety and security.
- Do not share personal information with strangers or people you have just met either in class or on campus.
- Do not become complacent, stay alert at all times.
- Avoid walking alone; try to stay in pairs or groups, especially at night.
- Make sure that family and trusted friends know your school schedule and any changes that may take place during the school year.
- Do not leave personal items unattended such as backpacks, cell phones, books, or clothing. If you leave items unattended, expect them to be stolen.
- Park in well lit areas. Call security for an escort if your vehicle is parked on the campus.
- Do not leave personal belongings in your vehicle where they can be seen by others, place all belongings in the trunk of your vehicle if possible.
- Make note of all exits in case of emergency evacuations, or you need an escape route.

SAFETY NOTES
- Do not leave personal items unattended such as backpacks, cell phones, books, or clothing. If you leave items unattended, expect them to be stolen.
- Park in well lit areas. Call security for an escort if your vehicle is parked on the campus.
- Do not leave personal belongings in your vehicle where they can be seen by others, place all belongings in the trunk of your vehicle if possible.
- Make note of all exits in case of emergency evacuations, or you need an escape route.

EMERGENCY E-MAIL AND TEXT MESSAGING
Seattle Central Community College has the ability to send emergency campus alerts via e-mail and text messaging; cell phones must be equipped with a text messaging feature in order to receive emergency text alerts. Students who have not already signed up for this important safety warning feature please do so now by going to the following link: https://alert.seattlecolleges.edu/LogIn.aspx

WORD OF MOUTH
If the situation safely permits, Campus Safety and Security along with other staff may provide word of mouth notification to individuals present on campus that an active emergency or lockdown has been issued.

PA SYSTEM
When safe to do so, Seattle Central Community College will utilize its PA system to announce that an active emergency or lockdown has been issued. Seattle Central Community College will also use its PA system to announce the all clear from an active incident.
BUILDING EVACUATION AND ASSISTANCE PROCEDURES

All persons shall move towards the nearest marked exit in safe orderly fashion, if the exit is blocked move to the next nearest marked exit. All faculty, staff, and students with disabilities are encouraged to file an emergency status card with the Campus Security Office. If you have special needs during any emergency impacting your work or study areas, the emergency status card will ensure that your needs are met. In the event of an emergency all persons should observe the following evacuation procedures:

- All persons shall move toward the nearest marked exit. As a first choice, the wheelchair occupant or person with mobility impairment may use the building elevators, but never in the case of fire or earthquake.
- As a second choice, when a wheelchair occupant or person with mobility impairment reaches an obstruction such as a staircase, he/she should request assistance from others in the area. If assistance is not immediately available, the wheelchair occupant or person with mobility impairment should stay in the exit corridor, or on the stairway or landing. He/she should continue to call for help until rescued.
- Persons who cannot speak loudly should carry a whistle or have other means of attracting the attention of others. Rescue personnel, fire and police, will first check all exit corridors and exit stairwells for trapped persons.

HAZARDOUS MATERIAL LEAKS, SPILLS, OR ACCIDENTAL RELEASE

For spills, leaks, or accidental release of gasses requiring special training, procedures or personal protective equipment (PPE) that is beyond the capabilities of present personnel, immediately take the following actions if safe to do so and time permits.

- Immediately notify affected personnel and evacuate the contaminated area.
- Close all door(s) leading to contaminated area.
- Pull the nearest fire alarm if evacuation is necessary.
- Call 911 to report the incident.
- Anyone contaminated by leak, spill, or release should wash off contamination; remain in the vicinity, and give his/her name to the emergency personnel on site. If needed, first aid should be started immediately.
- Do not try to contain or clean up leaks, spills, or accidental releases unless you have been trained in proper methods to do so. If caught in smoke please take the following steps:
  - Drop to the floor and crawl toward an exit.
  - Stay as low as possible.
  - Take shallow breaths through your nose using a shirt or towel as a filter. If someone is trapped inside the building please take the following steps:
    - Notify emergency personnel on site or call 911.
    - Call Campus Safety and Security at 206.934.5442.
    - Give the exact location of the person(s) trapped in the building and the reason(s) they are having trouble evacuating.
    - During the evacuation process, please follow Seattle Central Community College’s building evacuation procedures as well as the procedures for evacuation of mobility impaired persons.
**Fire Procedures**

If you discover a fire please take the following steps:

- Manually activate the nearest fire alarm pull station.
- Immediately exit the building and close door(s) behind you if it safe to do so and time permits.
- Move to a safe distance of 500 feet or more.
- Tell others in that area there is a fire.
- Do not use elevators, all elevators will return to the main floor and become inoperative.
- Call 911 when you have reached safety.
- When answering questions by for emergency operators or personnel, answer all questions calmly and in complete detail.
- When safely out of the danger zone, call Campus Safety and Security at 206.934.5442 for further assistance.

If you are trapped during a fire please take the following steps:

- Wet and place cloth material around and under the door to prevent smoke from entering. Close as many doors as possible between you and the fire. Be prepared to signal someone outside; do not break any glass barriers until absolutely necessary as smoke may be drawn into the room.

If caught in smoke please take the following steps:

- Drop to the floor and crawl toward an exit.
- Stay as low as possible.
- Take shallow breaths through your nose using a shirt or towel as a filter.

If someone is trapped inside the building please take the following steps:

- Notify emergency personnel on site or call 911.
- Call Campus Safety and Security at 206.934.5442.
- Give the exact location of the person(s) trapped in the building and the reason(s) they are having trouble evacuating.
- During the evacuation process; please follow Seattle Central Community College’s building evacuation procedures as well as the procedures for evacuation of mobility impaired persons.

**Shelter in-place**

The following events may necessitate a Shelter-In-Place to be activated:

- accidental hazardous material release (lab or science area)
- airplane crashes nearby
- chemical plant accident
- rupture of a pipeline
- truck hauling chemicals crashes
- train hauling chemicals crashes
- terrorist attack (biological, chemical, or radiological).

The ideal location to go to if there is an emergency that calls for shelter in-place is an interior room above ground level; chemical agents tend to be heavier than air and settle at ground level. Find a room with the least amount of windows. Try to find a room that has a hard phone line directly from the wall. Please keep in mind that during an emergency event local phone lines may not work due to damage or a high volume of calls, texting may be a better option at that point. Once in an appropriate location shut and lock all windows and doors, this will create a tighter seal reducing the amount of seepage into the room. If needed, cover mouth and nose with a wet cloth for added protection.

Call 911 and let them know exactly where you are in the building, when it is safe to do so, call Campus Safety and Security at 206.934.5442. Include floor level and room number when relaying information to emergency personnel.
EARTHQUAKE

The following problems can occur due to earthquakes: electrical power outages, natural gas pipeline outages, water line damage, sewer line damage, roadway damage, bridge damage, telephone line damage, and computer line damage. The following guidelines may enhance your ability to stay safe during an earthquake.

Indoors
- **Stop** – To minimize injuries, do not run during an earthquake. Running is the most common cause of injury during an earthquake.
- **Drop** – Make sure that your head is not the tallest thing in the room.
- **Cover** – Get under a desk, table, or counter top to protect yourself from falling objects.
- **Hold** – Whatever you are under, hold on to it tightly to keep it situated over your head for protection until the shaking stops.

If there are no tables or desks available, simply drop to the floor against an interior wall and cover your neck and head with your hands and arms for protection while avoiding all windows, mirrors, and tall furniture.

If there is no wall available, try to get between or beside large objects such as a row of chairs or a large piece of furniture, make sure that you are lower than the object you are next to or between.

Science Laboratory

If you are in a laboratory during an earthquake and electrical damage has occurred, DO NOT light candles or other flames as they could ignite an explosion. If safe to do so and time permits, please take the following steps if possible:
- Turn off lights and unplug all electrical equipment not protected by a surge protector.
- Secure all experiments and shut off research gases.
- Store all chemicals in their original locations.
- Fully open all fume hoods, if this is not possible or natural ventilation is inadequate, evacuate the laboratory immediately until power is restored.
- If it is unsafe to complete these tasks safely and orderly evacuate the building.

After Shaking Stops
- Check yourself and others for injuries and move toward the nearest exit or alternate and move to a safe outside distance.
- If you see or know of someone having trouble evacuating and it is unsafe for you to help, please notify emergency personnel on site or call 911, you may also call the Department of Safety and Security at 206.934.5442. Make sure to give the exact location(s) and the reason(s) why they are having trouble evacuating.

Once Outdoors
- After evacuating the building, do not leave the area/campus without reporting your status to your instructor, building coordinator or fire/floor warden.
- Go to your nearest campus mass assembly area for more information and critical updates.
- Keep fire lanes, hydrants, and walkways clear for emergency vehicles and crews.
- Maintain a safe distance from the affected areas or buildings including utility poles and live power lines.
- Do not hinder or interfere with emergency personnel on site except to give them pertinent information regarding safety or damage.
- In the event that an evacuation is necessary, please follow Seattle Central Community College’s building evacuation procedures as well as the procedures for evacuation of mobility impaired persons.
CRIME IN PROGRESS*  
If you become aware of criminal activity or workplace violence including intimidation, threats, physical attack or property damage please take the following action:

- Call 911 if immediate danger exists; provide your location and a description of the criminal, assailant or suspicious individual such as height, weight, sex, race, approximate age, clothing, weapon(s) if any, and direction and or method of travel.
- When it is safe to do so, call Campus Safety and Security at 206.934.5442 for further assistance. If you are in a building or nearby area when a shooting occurs please use your own discretion and decision making abilities to enhance your chances of survival. The following procedures are only guidelines that may help you survive an active shooter incident.
- If safe to do so, leave the building or area as quickly and safely as possible; do not run in a straight line use a zigzag pattern. If you are unable to leave, go to an area that can be locked or secured.
- Do not attempt to apprehend or interfere with the criminal or assailant.
- If needed, immediate leave the area if danger exist or seek cover behind a locked or secured door.
- If the criminal or assailant flees the scene in an automobile, note the license plate number, make, model and color of vehicle.

*Bomb Threat

If a bomb threat is taken by phone please take the following actions:

- Record any information regarding the bomb threat and have it available for the police when they arrive.
- If your phone has a display, copy the number or letters on the window display.
- The most crucial information you can obtain from the caller is detonation time, location, and appearance of the bomb.
- Don’t hang up, have someone call 911 from another phone.
- Give the phone number and location of the phone that received the bomb threat.
- When safe to do so, call Campus Safety and Security at 206.934.5442 for further assistance.

If a suspicious object or packages is found please take the following actions:

- Do not touch or move suspicious object, or package.
- Call 911 immediately.
- When safe to do so, call Campus Safety and Security at 206.934.5442 for further assistance.
- Campus Safety & Security and/or other emergency personnel will evacuate the immediate area and stop anyone from entering the area where the object or package is located.

ACCIDENT REPORTS

A campus accident report must be submitted to the Campus Security Office within 24 hours of the accident regardless of the severity of the injury. The term “accident” applies to any personal injury. Accident reports are not required for illnesses unless injuries result from a seizure. If the injury is received by an employee or work study student during their working hours they are covered by Washington State Industrial Insurance. Any injured employee who requires the care of a physician or hospital must advise the physician or hospital and an industrial insurance form will be initiated immediately. The appropriate procedures must be followed so the injured employee’s benefits can be initiated immediately. The campus does not have a “special fund” to pay medical expenses for on campus injuries received by students or the visiting public. If such a person receives an injury and does not have school insurance or personal health insurance any medical costs incurred must be paid by the individual. A campus accident report must still be submitted. Questions related to campus liability regarding an injury will be forwarded to the Campus Security Office.
Academic Load: The total number of credit hours for which a student is registered in one quarter.

Academic Year: The period comprised of fall, winter, and spring quarters. Summer quarter is separate from the standard academic year.

Advisor: An Academic Advisor is an individual who helps students plan course work depending on the requirements of their program and specific educational goals.

Associate of Arts Degree: This is a 90-credit community college transfer degree consisting of a general Associate of Arts Degree, Associate of Elementary Education Degree, and Associate of Math Education Degree. This requirement fulfills the general education requirements for most four-year degrees in the arts and sciences.

Associate of Science Degree: Associate of Science transfer degrees are designed to allow students to complete many of the prerequisite math science, and general education courses required for those considering a major in science, math, or a health profession at a four-year university or college.

Associate of Applied Science Degree: This degree prepares students for employment through training, technical, and related skills, and instruction in academic subjects appropriate to the occupation field.

Audit: Students attending classes as a listener or auditor without the obligation of doing the required work and without receiving credit. Tuition is the same as that of credit classes.

Bachelor’s Degree: The academic title granted by four-year colleges and universities upon the successful completion of (usually) four years of prescribed study. Seattle Central Community College offers a bachelor’s degree in Applied Behavioral Science.

Certificate: Some of the Technical and Professional programs lead to an AAS degree, others to an occupational certificate. These certificate programs consist of primarily occupational training.

Class Schedule: Publication containing information on the courses, times, and sections to be offered.

Counselor: A person trained in psychology that helps students solve problems, become more knowledgeable about themselves, set goals, and make decisions relative to their personal, social, educational, and vocational concerns.

Course Waiver: A student may be excused from enrolling in a required course on the basis of a high placement test score, previous acquisition of the skills taught in the course, a passing score on a challenge test, or other reasons. Division policies vary relative to the granting of credit for waived courses.

Credit / Credit Hour: For the majority of courses the number of credits offered equals the number of hours in a class per week.

Cumulative Grade-Point Average: A student’s GPA average is based on the total number of honor points earned and the total number of quarter hours attempted.

Curriculum: The group of courses required for a particular degree or certificate.

Direct Transfer Agreement: The associate degrees that a two-year college has defined as meeting the guidelines that enables you to transfer with priority admission to a Washington four-year college or university.

Educational Plan: Working with an advisor, students develop an educational plan using degree planning sheets and considering factors such as course sequences, personal timelines, four-year admission deadlines / requirements etc.

Electives: Courses which students “elect” to enroll as free choice courses, as opposed to “required” courses that the student must take to fulfill graduation requirements.

Entry Code: A five-digit number you get from the division office, allowing you to register for a class that requires prerequisites or permission of the instructor.

Full-Time / Part-Time Student: A full-time student is defined as being enrolled in at least 12 credits by Veterans Services, Financial Aid, Social Security, and International Studies. Anything less than 12 credits is considered part-time.
**Grades:** can be found via Student Online Services at seattlecentral.edu/sos. Allow one week from the end of quarter for posting.

**Interrupted Students:** A matriculated student who has not registered in credit classes for two quarters or less. Students need to contact registration office to re-activate an online registration appointment.

**Item number:** This four-digit number is assigned to each class section in the course schedule (ex. 2323). It is the number you use to register for classes or to add or drop classes.

**Liberal Studies:** The general education courses in the humanities, mathematics, natural sciences, and social sciences.

**Major:** An academic area of specialization chosen by the student.

**Matriculation:** The first registration following admission for students earning transfer credits, degrees, or certificates.

**Transcript Evaluation:** Students transferring from another institution should have their transcripts evaluated to determine how many courses previously taken might be applied to their Seattle Central Community College requirements. Transcripts may be evaluated in the Registrar’s Office when working toward a degree at Seattle Central. Advisors in advising may do unofficial evaluations.

**Overloads:** Students are not able to register for closed classes through the Web. It is necessary to obtain an instructor’s signature on an Add/Drop form. Pick up the form and return it with the instructor’s signature to room BE1104B.

**Personal Identification Number (PIN):** PINs are used for all inquiry functions. All students are assigned a PIN after completing their initial registration. For security reasons, we recommend you change your PIN on a quarterly basis.

**Prerequisites:** All credit classes have a prerequisite. Students have to prove eligibility for entry-level classes by testing or prior course work. Course work earned at another institution must be officially evaluated before being accepted as transferable.

**Student Identification Number (SID):** Your SID was assigned to you upon application to the college. This number can be used to register for classes, access grades or schedules, pay tuition, and all other administrative purposes.

**Transferability:** Many community college courses transfer to four-year colleges, and some do not. It is your responsibility to determine which courses are transferable. As a general rule, Professional Technical courses are not designed to transfer.

**Work–Study:** Work–study allocations are typically based on a student’s financial needs awarded through the Financial Aid Office.

**Tuition:** Students who expect to pay any tuition other than the resident or nonresident rate (i.e., any kind of waiver) must come to the Division of Registration and Records, Room BE1104B, to provide the appropriate documentation for the waiver. Workforce Education students registering for more than 18 credits also need to come to the Division of Registration and Records, Room BE1104B, prior to paying tuition. Variable credit classes: If the class is being offered for a range of credit amounts, for example 1–15 credits. Web registration will register you for the maximum amount of credits being offered. To change the credit amount, you first must register for the class, once registered click the change credit box (this box only appears for variable credit classes).

**Wait list:** The wait list feature offers students a fair, consistent method of enrolling in a full class if openings occur. If a class with the waiting list option is full and you choose to be put on the waiting list, you will be automatically enrolled into the class when a space becomes available. You can add your name to a waiting list on the Web. If you decide you no longer want to be on the waiting list for a class, return to the Web to have your name removed from the waiting list. Please check your schedule frequently to find out if you have gotten into the class and to know your tuition and fees. If you owe additional tuition, remember to pay within the time frame allowed (see tuition fees and refund page). If you have not been enrolled via the automated process by the first day of the quarter, go to the class to obtain an instructor’s signature if possible. Bring signed overload form to the registration office for processing. The last day to register is on the 10th day of the quarter and tuition is due immediately. Web registration hours are 5a.m. to 11p.m., seven days a week, during Web registration dates.

**Workforce Education Students:** A matriculated student who has been accepted into a specific professional/technical program.
