Financial Aid Post Deadline Request

This form is necessary if you missed a financial aid application deadline for a specific quarter, but still wish to be considered for aid for that quarter. Please note that deadline information, and information about the steps students must complete to meet a deadline, is available:

1. In Seattle Central's financial aid application packets
2. On our office's web site www.seattlecentral.edu
3. By calling our main phone number (206) 934-3844

Complete financial aid files are reviewed in the order in which they are received. **Files that are completed after the deadline will not be processed until after the start of the quarter.** *This means you must pay for your classes on your own.* If you have registered and paid for your classes, and are later awarded financial aid grants, you will receive your grants in the form of a financial aid refund through BankMobile. Notification of whether or not you are eligible for financial aid, the amount of aid you qualify for, and the number of quarters of aid you qualify for will be sent to you via email or U.S. mail after a review of your complete financial aid file.

After you have submitted this request, you still must pay for your classes on your own**. <u>If you decide not to attend, it is very important that you formally withdraw from your classes prior to the first day of the quarter. Failure to do so may result in you owing money and being declared ineligible for financial aid in the future.</u>** If you are registered on or after the first day of classes and are later awarded financial aid, the aid will be applied to your charges, and under the law you will have received financial aid. Because you received financial aid, you will be subject to repayment penalties and satisfactory academic progress policies.
