

Associate of Science (AS-T) Option 2

Global Health Emphasis

This sheet is designed as an advising tool for students working to complete the AS-Transfer degree Option #2 with a Global Health Emphasis and to be used in conjunction with an AS-T Option #2 degree planning worksheet. The Global Health Emphasis requires students to take 5 credits of either HEA 225 or BIOL 150 and 20 additional credits from the Global Health elective list (at least 2 different subjects) which can fit within the General Education, Pre-Major Sciences or Electives categories. **It is the student's responsibility to verify all degree requirements with an advisor. Information may change without notice.**
