

Connecting Mobile Devices to Citrix for Seattle Central

Whether you have an iPad, Android or other device configuring it for Citrix is the same.

1. Install the Citrix Receiver via the App Store, Amazon.com, or Google Play. The Citrix Receiver is free though these stores may require you to sign up for an account. Please see your device's documentation for installing apps on your device.
2. Launch Citrix Receiver
3. You will be prompted to enter the address. Enter **https://vdi.seattlecentral.edu**
4. When prompted for username and password, enter everything to the left of the @ symbol in your email address and password. The domain is **EAD**.

Address: **https://vdi.seattlecentral.edu**
