Other placement tests	SCORES LESS THAN 1 YEAR OLD, TEST FROM A 2-YR COLLEGE IN WASHINGTON STATE ONLY	Score report must show class placement you are qualified for: Closest matching class at Seattle Central will be given for placement.	varies

If you have **Previous College Transcripts, Advanced Placement, or International Baccalaureate**, these can often be used for transfer of college class credit and affect whether you need placement tests. Please submit transcripts / score reports to Admission for evaluation: <https://seattlecentral.edu/enrollment-and-funding/enrollment-and-admissions/registration/records-and-transcripts/incoming-transcript-evaluation> [FORM UPDATED 7/8/2019]

DO I NEED TO TAKE PLACEMENT TESTS?

Maybe.

New students need to find out where to start with both English and math classes.

One way to do that is to take the placement tests at Seattle Central
in the Testing Office.

But there are other options too.

Check the list to see if you can use other tests or work you've already done!
