Agency Description:

Since 1906 Neighborhood House has been working to meet the needs of public-housing residents and members of low-income communities in Seattle and King County by providing a wide range of services. Today, by offering employment, adult education, emergency referral, early learning programs and outreach for the elderly and disabled, we continue to meet the needs of those constantly evolving communities. The focus of our mission, however, has always remained the same: to partner with diverse individuals and families to build community and achieve their goals for health, education and self-sufficiency.

This is our current remote opportunity:

Read and Record Children's Stories:

Video record yourself reading a children's book. The videos will be uploaded to a Vimeo channel, and the links will be shared with families participating in Neighborhood House programs.
