

Your application was selected for review in a process called "Verification". In this process, the financial aid office will compare information from your FAFSA with your **2021** IRS tax information. The law gives the college the right to ask you for this information before awarding Federal aid. If there is a difference between your FAFSA and IRS tax information, the college will make the correction electronically.

Complete this verification form, attaching any requested documentation and submit it to your financial aid office as soon as possible. The financial aid office cannot process your application without this information.
