

VOLUNTEER OPPORTUNITY

(Updated: 9/21/23)

Agency Name: Full Life Care

Agency Description: Full Life Care is a non-profit working toward a future where adults with chronic and terminal illnesses or disabilities can be compassionately supported in their communities rather than living in isolation or having to resort to institutional care. We are dedicated to enhancing individuals' quality of life, respecting their dignity, and providing for them with care and compassion, regardless of income. Our services include adult day health, home care volunteer companionship, caregiver respite, and housing stabilization.

Positions are virtual, hybrid, and/or in-person at various locations in King and Snohomish counties.

Position Description: Full Life Care is offering multiple virtual, hybrid, and/or in-person positions for direct service (reaching out to clients and staff) and/or project-based support (researching, designing, and coordinating). Opportunities are available in a variety of disciplines: Health studies; public health/human services; social work; administration; recreation, art, music; and more. Please contact us for more details on current opportunities.

Qualifications: Must be at least 18 years old. Strong verbal communication skills, patience, compassion, positivity, willingness to take initiative and responsibility, work independently, and be punctual and dependable.

Total number of weekly hours: Varies, depending on position. Both one-time and long-term opportunities are available.

Days/Hours: Varies, depending on position. Most hours are flexible and self-scheduled.

Start Date: Continuous
