Agency Description: Delridge Neighborhoods Development Association (DNDA) is a non-profit which integrates ART, NATURE, and NEIGHBORHOOD to build and sustain a dynamic Delridge community. Our organization provides many community services some of which include owning and operating seven affordable housing buildings, offering art programming to local youth and summer camps, and hosting urban forest restoration volunteer events. This community-engaged learning opportunity will be focused on the environmental work we do within our Restoration program.

Position Descriptions:

Our Urban Forest Restoration program is focused on long-term stewardship, education & advocacy and offers hands-on experience in environmental action. Through his program, we host on-going volunteer work parties in several parks located in Delridge. Student volunteers will assist us in our main restoration goal of reintroducing native conifer species to the greenbelt, and also focus on removing invasive species, site maintenance, and environmental education.
