# MESSAGE FROM MAINSTAY

Employment brings possibilities...

You are the change needed to create stability, sustainability, and capacity building at Mainstay for job seekers and supported workers with disabilities. Thank you for your support to help job seekers and supported workers find success in communities of their choice.

In this report, you'll see students building THEIR CAREERS through networking with Rotary members and experiencing job interviews. You'll learn about the direct impact YOUR funds have on workers' lives.

As a self-supporting department of Seattle Central College, Mainstay is grateful for your involvement to make our world more inclusive and equitable for all!

# GETTING TO WORK...

Our 2023 School-to-Work job seekers scored Jobs Before June!

Positions at Amazon, Tavon Center, Microsoft & Trader Joe's were customized to fit the abilities and strengths of these dedicated workers.

Joshua loves his job (and the food)!  
Jarophi is excited to learn new tasks and experience the world.

With help from employment programs like Mainstay, King County's School-to-Work program served 146 job seekers in 2023!

# 2023 WAS EPIC!

After 13 years of fundraising,  
Mainstay received our first ever  
pledge over 2 years  
for the purpose of hiring  
2 NEW positions:  
a Community Relationships Manager and  
a Major Gifts Officer.  
WELCOME CHISA & ANDREW!

We welcomed Jenny Rundle our new  
Employment Specialist!

Our Seattle Colleges Foundation  
matched \$117K of your donations  
using their Ballmer Family Foundation  
challenge GIFT.

Now, this is building a foundation of sustainability for the FUTURE!!!

# WITH GRATITUDE...

After 33 years, our colleague Anja Post is retiring. Anja has given of herself to her clients more than words can express.

We will be forever grateful.

She has touched so many people's lives...the lives of her clients for whom she found jobs, their families, their co-workers, and their friends.

Anja's career has spanned a journey seeing people with disabilities in sheltered workshops to independent employment. It truly has been our honor...CONGRATS & THANK YOU!

# THANK YOU, ANJA!
