

Due _____

Your reflection should include answers to the following:

- Name of organization and short description of the mission and a summary of the services provided and clientele served.
- What did you do as a volunteer? Why did you choose this activity?
- What are the most important social issues facing the population you served?
- How has this experience changed your view, attitude, or perception about the people or community you served?
- Please indicate the extent to which you believe your volunteer experience enhanced your understanding of cultures or people different from your own.
- What did you learn about yourself or your values as a result of your volunteer activity?
- In what way has this experience been of value to you in terms of your personal, academic, or career goals?
- Why are volunteers important to the community?
- There are many benefits associated with volunteering. Describe two – three that were personally beneficial for you.
- Will you continue to volunteer in the future? Why or why not.

Length: 1.5 - 2 pages (minimum)

Other criteria: Should be typed (double spaced). Hand written papers will not be accepted. Please type your work using a 12 point font size and be sure to include your name and quarter enrolled.
