

# VOLUNTEER OPPORTUNITY

(Updated: 8/11/25)

**Position Title:** Food Service Volunteer - Frye

**Agency Name:** Low Income Housing Institute

**Agency Description:** The Low Income Housing Institute develops, owns and operates housing for the benefit of low-income, homeless and formerly homeless people in Washington state; advocates for just housing policies at the local and national levels; and administers a range of supportive service programs to assist those we serve in maintaining stable housing and increasing their self-sufficiency. In 2015, LIHI started building Tiny House Villages as a response to the homelessness crisis and as a replacement for tents. Tiny houses offer tremendous benefits over tents – they are safe, weatherproof and lockable – and the Tiny House Villages allow residents to reclaim their dignity and get on a path to permanent housing, employment and connection to supportive services.
