

SEATTLE CENTRAL COLLEGE

November 25, 2020

Report & Summary of the Scoping Process for the Seattle Central College Major Institution Master Plan Environmental Impact Statement

1. Introduction & Background Information

The purpose of this document is to summarize the process and comments received during the State Environmental Policy Act (SEPA) scoping period for the **Seattle Central College (SCC) Major Institution Master Plan** Environmental Impact Statement (EIS). The document will help SCC establish the areas of investigation that will be included in the EIS.

This report contains a detailed discussion of the EIS scoping process. The Determination of Significance and EIS Scoping Notice is contained in **Appendix A**. Additional information, including records of public notice actions and a complete mailing list are available in **Appendix B**. **Appendix C** contains the written comments received during scoping.

Description of the Proposal

SCC is in the process of updating its Major Institution Master Plan. The updated Master Plan will guide future development on-campus. To accommodate projected growth in enrollment, new campus facilities and parking will be required, as well as modifications to the existing campus boundaries.

The Major Institution Master Plan will be prepared consistent with the requirements of the City of Seattle's Major Institution Overlay District (SMC 23.69) and will consist of three major components.

- **development program** -- planned¹ and potential² development projects, open space/significant landscaping, and similar information;
- **development standards** – proposed modifications to existing development standards (e.g., setbacks, building height limits, lot coverage, etc.); and a
- **Transportation Management Program** – this addresses existing and planned parking, loading/service, bicycle/pedestrian/traffic circulation on-campus and programs to reduce traffic-related impacts.

Determination of Significance (DS)

SCC is the lead agency for SEPA review of its own projects and is responsible for performing the statutory duties required for the **Major Institution Master Plan Update**. Dr. Sheila Edwards Lange, President, Seattle Central College, is the designated Responsible Official for conducting SEPA review.

Seattle Central College, as the SEPA lead agency, has determined that this proposal may have a significant adverse impact on the environment. An Environmental Impact Statement (EIS), therefore, is required under RCW 43.21C.030(2)(c). The SEPA EIS will be prepared consistent with WAC 197-11-420 to review the impacts of the **SCC Major Institution Master Plan Update**.

Seattle Central College initiated the EIS scoping process for the **SCC Major Institution Master Plan Update** on September 4, 2020, by issuing a SEPA Determination of Significance (DS) and EIS Scoping Notice. The DS/EIS Scoping Notice included notification of an online public EIS Scoping Meeting to be held on September 23, 2020, to provide the public with an opportunity to become more familiar with the proposal and to comment on the scope of the EIS. It also gave notice of the statutory 21-day scoping period. See **Appendix A** for a copy of the DS/EIS Scoping Notice.

The DS/Request for Comments preliminarily identified the following elements of the environment for analysis in the EIS:

- | | |
|----------------------------------|--------------------------------------|
| - Earth | - Historic Resources |
| - Air / Greenhouse Gas Emissions | - Aesthetics (Height, Bulk, & Scale) |
| - Plants and Animals | - Aesthetics (Viewshed) |
| - Environmental Health | - Light/ Glare / Shadows |
| - Land Use | - Transportation & Parking |
| - Housing | - Construction Impacts |

¹ Planned projects are physical development that Seattle Central College has definite plans to construct (SMC 23.69.030D.).

² Potential projects are physical development that is less definite (SMC 23.69.030 D.).

The DS/Scoping Notice indicated that Alternatives to the *Proposed Action* (preferred *Major Institution Plan*) to be analyzed in the EIS included the *No Action Alternative* and a *Decentralization* alternative.

The following outreach actions were carried out to inform the public of the EIS scoping and opportunity to comment.

- DS/Scoping Notice mailed to residents and businesses within 600 ft. of the SCC campus. The Distribution List is included in **Appendix B1**.
- DS/Scoping Notice published in the *Seattle Times* on September 14, 2020. See **Appendix B2** for the affidavit of publication.
- DS/Scoping Notice published in the *Daily Journal of Commerce* on September 9, 2020. See **Appendix B3** for the affidavit of publication.
- DS/Scoping Notice posted at 14 locations around SCC campus. See **Appendix B4** for sign photos.
- DS/Scoping Notice posted on the SCC News Center website at: to <https://newscenter.seattlecentral.edu/2020/09/09/state-environmental-policy-act-determination-significance-ds-and-environmental-impact>. See **Appendix B5** for screen shots of the website.

And in a new "Public Notices" page in the master plan site:

<https://seattlecentral.edu/community/campus-master-plan/overview/public-notice>

The EIS Scoping notification actions meet or exceed all applicable noticing requirements.

2. EIS Scoping Process

Scoping provides notice to agencies, tribes, and the public that an EIS will be prepared for a proposal that could cause a significant impact to the environment. The intent of scoping is to identify public, agency, and tribal comments and concerns on the environmental issues and alternatives that should be addressed in detail in the EIS.

The *SCC Major Institution Master Plan EIS* scoping process provided opportunities for agencies, tribes, and interested members of the public to submit written comments via mail or email, or to voice comments during an online public meeting.

The online EIS Scoping meeting (September 23, 2020) was held to provide an opportunity for the public to learn more about the proposed Major Institution Master Plan and to provide input on the environmental review process. The

online meeting consisted of a presentation on the proposed draft Master Plan, an explanation of the EIS process, and an opportunity for the public to provide comments regarding the alternatives and the scope of analysis contained in the EIS. Approximately 3 attendees from the public attended the online meeting and one attendee provided oral comment. Several other meeting attendees typed written comments during the meeting.

Information that was provided at the public scoping meeting is available online via the following link:

<https://www.seattle.gov/neighborhoods/programs-and-services/major-institutions-and-schools/major-institution-advisory-committees/seattle-central-college>

3. Written Scoping Comments Received

During the EIS scoping period, one written comment letter was received. This was from the SCC Citizens Advisory Committee. In addition, one person provided oral comments during the online EIS Scoping Meeting and several people submitted typed written comments. All public comments are contained in **Appendix C**.

4. Conclusions

Seattle Central College used “reasonable methods” to inform the public and other agencies that an EIS is being prepared for their proposed Major Institution Master Plan and that a public EIS scoping meetings was being held. The College followed the noticing requirements listed in WAC 197-11-510.

Alternatives

The EIS is intended to address the probable significant adverse impacts that could occur as a result of the Proposed Action and the alternatives. The EIS will analyze the Proposed Action and a range of reasonable alternatives with accompanying level of detail and analysis to provide decision makers with relevant information necessary to make decisions about the Proposed Action and the alternatives.

Based on review of the comments received during the EIS scoping process, SCC has determined that this EIS should analyze probable significant impacts associated with the Proposed Action, a No Action Alternative, and one additional development alternative that could feasibly approximate SCC’s objectives associated with the proposed MIMP -- a No MIO Boundary Expansion Alternative.

Environmental Parameters

Based on review of the comments received during the EIS scoping process, SCC has determined that this EIS should analyze probable significant impacts associated with the following environmental parameters:

- **Earth** – Analysis will summarize geotechnical analyses that have previously been conducted on-campus and development constraints relative to the City-designated Environmentally Critical Areas that are located within SCC’s existing Major Institution Overlay boundary, as well as in the proposed boundary areas. Seismic considerations will also be evaluated. Construction-related impacts will also be analyzed relative to the amount of earthwork associated with proposed development, truck trips/routes, excavation duration and construction-related noise.
- **Air Quality/Greenhouse Gas Emissions** – SCC will utilize King County’s Greenhouse Gas emission analysis approach to estimate embodied emissions associated with extraction, processing, transportation, construction and disposal; energy demand once development is operational; and transportation demand once development is operational.
- **Plants** – While preliminary indication is that most trees on campus are street trees located within City rights-of-way, it is possible that proposed boundary expansions and/or planned and potential campus development could affect existing, non-street trees. In light of that, analysis by an arborist will be required. The aim of that analysis will be to both identify and locate trees (street trees and non-street trees) that: **1)** exceed 6 inches in diameter;³ **2)** City-designated Exceptional trees; and **3)** Hazardous trees. That data will inform the impact analysis and shape mitigation requirements.
- **Environmental Health** – Data from Phase I and/or Phase II environmental site assessments that have been conducted for areas of the campus will be incorporated analyzed in the EIS.
- **Land Use** – Analysis will address impacts to land use patterns on-campus, within proposed boundary expansion areas, and proximate to campus; and consistency with adopted land use plans and development regulations, including the City’s *Comprehensive Plan*, the *Capitol Hill*, *First Hill* and *Pike-Pine* neighborhood plans, and the City’s *Land Use Code*.

³ Measured at 4.5 ft. above-grade.

- **Housing** – Analysis will address housing impacts as a result of the proposed boundary expansion. Information will include population and housing characteristics within the proposed boundary expansion area.
- **Historic** – Analysis will include a reconnaissance-level historical survey of buildings on-campus and within the proposed boundary expansion area to determine eligibility for nomination/designation for City, state or national consideration.
- **Aesthetics** – Analysis will evaluate Height, Bulk & Scale impacts associated with adjacent properties relative to proposed development proposed within the existing MIO boundary and within the boundary expansion areas.
- **Aesthetics** – Although there are no protected viewsheds that would be affected by the proposed MIMP, it is proposed that views of community interest be analyzed as a result of development associated with the proposed MIMP, including the view of Broadway north of E. Denny Way looking south, the view of Broadway south of E. Pine St. looking north, and the view of Harvard Ave. south of E. Pike St. looking north.
- **Shadows** – It is proposed that shadow analysis be provided depicting development resulting from the proposed MIMP for each of the four key days of the solar year at 8 am, noon, and 5 pm.
- **Transportation, Parking and Loading** – It is proposed that analysis of transportation, parking and loading be provided relative to development identified in the proposed MIMP.
- **Construction Impacts** – It is proposed that a qualitative analysis that includes: noise, air quality, light/glare, and transportation/parking/access be provided relative to proposed development proposed within the existing MIO boundary and within the boundary expansion areas.

APPENDICES

Appendix A

Determination of Significance and Environmental Impact Statement Scoping Notice

SEATTLE CENTRAL COLLEGE

STATE ENVIRONMENTAL POLICY ACT DETERMINATION OF SIGNIFICANCE (DS) AND ENVIRONMENTAL IMPACT STATEMENT SCOPING NOTICE

Description of the Proposal: Seattle Central College is in the process of updating its *Major Institution Master Plan*. The updated *Master Plan* will guide future development on-campus. To accommodate projected growth in enrollment, new campus facilities and parking will be required, as well as modifications to the existing campus boundaries.

The *Major Institution Master Plan* will be prepared consistent with the requirements of the City of Seattle’s Major Institution Overlay District (SMC 23.69) and will consist of three major components:

- **development program** -- planned¹ and potential² development projects, open space/significant landscaping, and similar information;
- **development standards** – proposed modifications to existing development standards (e.g., setbacks, building height limits, lot coverage, etc.); and a
- **Transportation Management Program** – this addresses existing and planned parking, loading/service, bicycle/pedestrian/traffic circulation on-campus and programs to reduce traffic-related impacts.

Proponent:Seattle Central College

Location of the Proposal:1701 Broadway, Seattle, WA 98122

SEPA Lead Agency:Seattle Central College

SEPA EIS Required: Seattle Central College, as the SEPA lead agency, has determined that this proposal may have a significant adverse impact on the environment. An Environmental Impact Statement (EIS), therefore, is required under RCW 43.21C.030(2)(c).

¹ Planned projects are physical development that Seattle Central College has definite plans to construct (SMC 23.69.030 D.).
² Potential projects are physical development that is less definite (SMC 23.69.030 D.).

SEATTLE CENTRAL COLLEGE

Areas for discussion in the EIS: It is anticipated that the following elements of the environment could be affected as a result of construction and operational impacts associated with the proposed *Major Institution Master Plan*. It is, therefore, proposed that these elements be analyzed in this EIS.

- **Earth**
- **Air / Greenhouse Gas Emissions**
- **Plants and Animals**
- **Environmental Health**
- **Land Use**
- **Housing**
- **Historic**
- **Aesthetics (Viewshed)**
- **Light/ Glare/Shadows**
- **Transportation & Parking**

Alternatives to the *Proposed Action* (preferred *Major Institution Master Plan*) that will be analyzed in the EIS include the *No Action* and a *Decentralization* alternative.

Scoping: Public Agencies, affected tribes, organizations and members of the public are invited to comment on the scope of the EIS -- including alternatives to be considered in the EIS, probable significant adverse impacts, mitigation measures, and licenses or other approvals that may be required.

Online Public Meeting: An online EIS Scoping meeting will be held to provide an opportunity for the public to learn more about the proposed *Major Institution Master Plan* and to provide input to the environmental review process. The online meeting will consist of a presentation on the proposed draft *Master Plan*, an explanation of the EIS Process, and an opportunity for the public to provide comments regarding the alternatives and the scope of analysis contained in the EIS. The following are details concerning the logistics for the EIS Scoping meeting:

Things to Know

- The forum will be close-captioned & Interpreted (ASL)
- You will not see a list of other participants
- No general chat option
- There will be a moderated Q&A forum for asking questions
- The meeting will be recorded in order to document all EIS Scoping comments

AD TEXT

SEATTLE CENTRAL COLLEGE STATE ENVIRONMENTAL POLICY ACT DETERMINATION OF SIGNIFICANCE (DOS) AND ENVIRONMENTAL IMPACT STATEMENT SCOPING NOTICE

Description of the Proposal: Seattle Central College is in the process of updating its Major Institution Master Plan. The updated Master Plan will guide future development on-campus. To accommodate projected growth in enrollment, new campus facilities and parking will be required, as well as modifications to the existing campus boundaries. The Major Institution Master Plan will be prepared consistent with the requirements of the City of Seattle's Major Institution Overlay District (SMO OD) and will consist of three major components:
- development program - planned and potential development projects, open space/significant landscape, and similar information;
- development standards - proposed modifications to existing development standards (e.g. setbacks, building height limits, lot coverage, etc.); and a
- Transportation Assessment Program - one addresses existing and planned parking, local mass transit, bicycle/pedestrian traffic, circulation on-campus and programs to reduce traffic-related impacts.

Prepared by: Seattle Central College

Location of the Proposal:
1701 Broadway, Seattle, WA 98122

SEPA Lead Agency:
Seattle Central College

SEPA EIS Required: Seattle Central College, as the SEPA lead agency, has determined that this proposal may have a significant adverse impact on the environment. An Environmental Impact Statement (EIS) therefore, is required under RCW 43.21C.030(2)(c).

Areas for discussion in the EIS: It is anticipated that the following elements of the environment could be affected as a result of construction and operational impacts associated with the proposed Major Institution Master Plan. It is therefore, proposed that these elements be analyzed in the EIS.

- Earth
- Air / Greenhouse Gas Emissions
- Plants and Animals
- Environmental Health
- Land Use
- Noise
- Historic
- Aesthetics (Viewscape)
- Light/Glare/Shadows
- Transportation & Parking

Alternatives to the Proposed Action (preferred Major Institution Master Plan) that will be analyzed in the EIS include the No Action and a Decentralization alternative.

Scoping: Public Agencies, affected tribes, organizations and members of the public are invited to comment on the scope of the EIS - including alternatives to be considered in the EIS, probable significant adverse impacts, mitigation measures, and licenses, or other approvals that may be required.

Online Public Meeting: An online EIS Scoping meeting will be held to provide an opportunity for the public to learn more about the proposed Major Institution Master Plan and to provide input to the environmental review process. The online meeting will consist of a presentation on the proposed draft Master Plan, an explanation of the EIS process, and an opportunity for the public to provide comments regarding the alternatives and the scope of analysis contained in the EIS. The following are details concerning the logistics for the EIS scoping meeting:

- Things to Know**
- The forum will be close-captioned & interpreted (ASL).
 - You will not see a list of other participants.
 - No general chat option.
 - There will be a moderated Q&A forum for asking questions.
 - The meeting will be recorded in order to document all EIS Scoping comments.

STATE ENVIRONMENTAL POLICY ACT DETERMINATION OF SIGNIFICANCE (DS) AND ENVIRONMENTAL IMPACT STATEMENT SCOPING NOTICE

Description of the Proposal: Seattle Central College is in the process of updating its *Major Institution Master Plan*. The updated *Master Plan* will guide future development on-campus. To accommodate projected growth in enrollment, new campus facilities and parking will be required, as well as modifications to the existing campus boundaries.

The *Major Institution Master Plan* will be prepared consistent with the requirements of the City of Seattle's Major Institution Overlay District (SMC 23.69) and will consist of three major components:

■ **development program** -- planned and potential development projects, open space/significant landscaping, and similar information;

■ **development standards** -- proposed modifications to existing development standards (e.g., setbacks, building height limits, lot coverage, etc.); and a

■ **Transportation Management Program** -- this addresses existing and planned parking, loading/service, bicycle/pedestrian/traffic circulation on-campus and programs to reduce traffic-related impacts.

Proponent: Seattle Central College

Location of the Proposal: 1701 Broadway, Seattle, WA 98122

SEPA Lead Agency: Seattle Central College

SEPA EIS Required: Seattle Central College, as the SEPA lead agency, has determined that this proposal may have a significant adverse impact on the environment. An Environmental Impact Statement (EIS), therefore, is required under RCW 43.21C.030(2)(c).

Areas for discussion in the EIS: It is anticipated that the following elements of the environment could be affected as a result of construction and operational impacts associated with the proposed *Major Institution Master*

Plan. It is, therefore, proposed that these elements be analyzed in this EIS.

- Earth
 - Air / Greenhouse Gas Emissions
 - Plants and Animals
 - Environmental Health
 - Land Use
 - Housing
 - Historic
 - Aesthetics (Viewshed)
 - Light/ Glare/Shadows
 - Transportation & Parking
- Alternatives to the *Proposed Action* (preferred *Major Institution Master Plan*) that will be analyzed in the EIS include the *No Action* and a *Decentralization* alternative.

Scoping: **Public Agencies, affected tribes, organizations and members of the public are invited to comment on the scope of the EIS -- including alternatives to be considered in the EIS, probable significant adverse impacts, mitigation measures, and licenses or other approvals that may be required.**

Online Public Meeting: An online EIS Scoping meeting will be held to provide an opportunity for the public to learn more about the proposed *Major Institution Master Plan* and to provide input to the environmental review process. The online meeting will consist of a presentation on the proposed draft *Master Plan*, an explanation of the EIS Process, and an opportunity for the public to provide comments regarding the alternatives and the scope of analysis contained in the EIS. The following are details con-

cerning the logistics for the EIS Scoping meeting:

Things to Know

Public Comments Received on the Determination of Significance and EIS Scoping Notice

September 22, 2020

David Ernevad, Seattle Central College
Via e-mail: David.Ernevad@seattlecolleges.edu

Re: Seattle Central College CAC Comments on MIMP Environmental Impact Statement

Dear Mr. Ernevad,

The Seattle Central College (SCC) Major Institutions Master Plan (MIMP) Citizens Advisory Committee (CAC) is charged with advising the City and SCC concerning the development of the new Seattle Central College MIMP. The CAC has the opportunity to comment on the Environmental Impact Statement. The CAC met on September 21 to review the State Environmental Policy Act Determination of Significance (DS) and Environmental Impact Statement Scoping Notice and offers the following comments.

We welcome the opportunity to inform what elements will be analyzed in the EIS and do not wish to be redundant but want to ensure the impacts to the environment are considered. We kindly ask the college to address these issues in the EIS or point us to where within the MIMP they will be considered and addressed:

- Within the Aesthetics chapter, analyze **height bulk and scale**.
- Include the following in the Historic chapter
 - **Cultural resources**
 - **Community use of both public spaces and internal use of cultural assets.** Evaluate where the broader public congregates and uses public, exterior spaces for unofficial purposes (e.g. where do people seek shelter or exercise their first amendment rights). Evaluate the impact of the potential loss of performing arts spaces.
- Within the Housing Chapter, analyze the **socioeconomic impacts**
- Within the Earth chapter, evaluate **seismic protection**
- Analyze the impacts of **noise**
- Clearly and holistically identify **equity impacts** of the proposed Major Institution Master Plan (MIMP)
 - If this cannot be done as a separate chapter, consider and call out equity impacts within each chapter to the greatest extent possible. If this cannot be accommodated, consider the creation of a separate equity impact review and how the MIMP plans to address these impacts.
 - If the college would like advice on how to operationalize this, perhaps the City can consult with Seattle Office of Civil Rights staff to creatively scope this and identify an approach that ensures the MIMP is poised to advance equitable outcomes.

For the Committee,

Jacobi Boudreaux & McCaela Daffern,
Committee Co-chairs

SEATTLE CENTRAL
COLLEGE

Questions and Comments Received During the Online EIS Scoping Meeting on September 23, 2020.

Anonymous Attendee 08:03 PM

I'm curious about gentrification as an environmental impact - and if destabilizing economic effects of increase development may be analyzed as a probable and significant issue to be analyzed?

This question has been answered live

Anonymous Attendee 08:09 PM

Are potential positive community and environmental contributions -- like spaces that can act as shelters for smoke or heat - sometime analyzed and considered? Can good environmental impacts be included, rather than bad impacts?

This question has been answered live

Anonymous Attendee 08:13 PM

just a note --the 'Citizens Advisory Council' name perhaps should be reconsidered - 'citizens' can be an off-putting name in title -- for immigrant and refugees ...

This question has been answered live

Darlene Franz 08:16 PM

Is there a publicly posted location for the start of the Friday walking tours? How would a person find & join the tour?

This question has been answered live

Anonymous Attendee 08:16 PM

'Master Plan' is a name that perhaps should be reconsidered ... heavy hints of colonialism ...

This question has been answered live
